JAILHOUSE ROCK

I'm a female, currently in prison for grand larceny. I thought you might be interested in what life is like for a woman prisoner. Believe it or not, sex is easily available. Perhaps it's not your conventional fucking and sucking, but it will do—beggars can't be choosers, you know?

When I first got to jail, I thought that I'd have to do without. That's not easy when you're a horny bitch like me. On the outside, I could never get enough. I loved to offer my pussy around to all the hot studs. I was famous around the old neighborhood for giving the best head ever. Fortunately, my pussy has since been satisfied behind bars.

My first encounter took place about two weeks after I was locked up. Let me explain—although it should go without explanation—that the majority of action is between the women prisoners. Anyway, this big, tough, bull dyke in the next cell started fondling my titties in the shower one morning. Even though it felt pretty good, I figured it wouldn't look right if the "New Kid" on the cell block didn't put up a protest, so I smacked her. She proceeded to yell at me, explaining that, "Around here, if you don't use it, you lose it—and that's not a pretty sight!"

That night, she stopped by my cell to "visit." She had already convinced me that morning that what's mine is hers—especially my pussy. She took off all my clothes, salivating at the sight of my naked body. She was quite muscular with huge tits and even larger nipples. She got on top of me and began kissing me. Then, she sucked my nipples into her mouth, teasing them with her tongue and teeth. At the same time, she pushed three fingers inside my pussy, finger-fucking me at a rapid pace.

The next thing I knew, she plunged her tongue on my clit. The hot bitch was like a wild lady, taking my clitty into her mouth and sucking on it as if it were a rare delicacy. As she sucked, she started fingering her own nub. I had never felt anything like the sensation that resulted from having my clit gnawed on. She was out of her mind with passion—and I was starting to have the same feeling. I felt a super-orgasm welling up inside and I knew the dam was about to burst. I think we both let loose at about the same time. I started clawing the sheets since it was the most intense orgasm of my life. No man—no matter

how big his dick—ever made me feel that way.

When she finished sucking me, she "suggested" that I return the favor. Of course, I took the "suggestion." It felt funny licking a pussy. But after a few minutes, I sort of liked it. It tasted salty, wet and slick against my tongue. I knew that she was getting off on it. She pushed my head as deeply as possible against her pussy—wrapping her legs around me so that I was locked in place. I licked and licked until she reached multiple orgasms, almost passing out from the

26886

intense pleasure of my oral skills. My introduction to jailhouse lesbian sex was a most powerful one!

After that first time, I quickly took to the "lifestyle." I've fucked several of the women in my cell block. Some of the ways they've taught me to have sex have truly amazed me. I've since become very close to Miranda—a 30-year-old black prisoner who's serving 15-25 years for armed robbery. She's also quite the big, muscular, bull dyke type—which I obviously have a latent fondness for. Miranda has short, closely cropped, dyed blonde hair, 38D's, a plump ass, lots of tattoos, and muscles on top of muscles—the equal of any man I've known. Willingly, I'm now sort of her "property" and everyone knows it!

Miranda has taught me many things—mostly sexual, of course. Our sex is wild! To show just how inventive you can get in jail, she's managed to create her own strap-on. It took some time, but she carved a dildo out of soap with a homemade shank, then strung it together with some string. When we steal time together, she fucks me better than any man ever did on the outside. She gets me in the mood by eating my pussy like a champ. Miranda has a great technique. She jabs her tongue inside my box, then swirls it around my clit. She then slowly inhales the throbbing knob between her lips, sucking on it with great passion. I always have great orgasms!

Last night was especially passionate. After Miranda ate me to a couple of cums, she placed the strap-on between her legs. The sight of this powerful woman wearing a cock, about to fuck me, was enough to almost make me cum again. She mounted me and with my legs flung over her shoulders, she eased her homemade dildo into my cunt. I was already well-lubricated, so it went in quite easily. She started slowly, then worked her way into a steady rhythm. She pumped me in and out, faster and harder as the fuck session continued. I was lost in a sea of lust, and Miranda was also moaning, turned-on by the other end of the dildo rubbing against her clit as she fucked me. We both came, embracing each other for dear life, our orgasms powerful and unencumbered.

I'm due to be released in about eight months. I doubt if I could ever give up men, but then again, I also doubt if I could ever give up women after what I've been exposed to. One thing's for sure, once I leave jail, I'll be returning to visit some old "friends!"

—Sheila R. San Mateo, CA

RAISING THE BAR

For the last few months, I've been having a sort of dry spell, if you know what I mean. Pussy has been scarce to come by. However, thanks to the Internet and magazines like yours, I still have a great source for dick-hardening material. I think I might owe what happened to me this past weekend to you guys, because, if I didn't continuously drool over your models, I might not be so motivated to keep on looking for the real thing.

On Saturday night—dateless again—I decided

DRAINED BALLS MEAN A CALMER HEAD FOR THE BIG JOB INTERVIEW

Bachelor buddies—Neil and Lee—were bummed out because their employer had laid them off. They looked for other jobs while collecting unemployment, but they also spent time trawling for pussy together, figuring that the more new snatch they fucked, the better their spirits would be on the job-hunting trail.

Cindy and Kathy were just what their employment counselor might have ordered for Neil and Lee: Two cock thirsty babes only interested in having a good time, and not draining men's wallets! They too, had been laid off from their gigs, and they understood that in hard times, men and women have to bond together by their pricks and pussies—and not duel over dollars. Fate was on the side of Neil and Lee; because they just as well might have run into two chicks that wouldn't give them the time of day before first checking out their bankbooks.

Instead, our studs found themselves with two gals who were so determined to forget the stresses of the recession themselves that the only statistics in the guys' minds became the personal records they were setting for the amount of loads they blew in one afternoon! Neil looked down in astonishment as one girl licked his balls while the other fucked his cock; and then the same thing happened for Lee. The only thing that was a little weird was that the girls insisted they all screw together instead of separately, but then again, it added some true party atmosphere.

Spurt after spurt of thick cream made the girls sparkle on the outside with sweaty triumph, sparkling inside with the satisfaction that came from knowing they'd just drained two decent guys into a state of post-orgasmic bliss. Then the dudes licked their clits to their own writhing orgasms. Neil and Lee quickly made plans to meet Cindy and Kathy again soon. After all, it was important to keep a clear head for job-hunting by keeping their sperm levels down! "Fornicate for success"—that was their motto now. ♦

STOYA UNVEILS HER OWN FLESHLIGHT TOY FOR MEN

Digital Playground contract star, Stoya, has the newest sex toy on the market and every man in town will want to play with it. "We are thrilled to announce Stoya as our latest addition to the booming Fleshlight Girls program. With all three orifices and a signature texture, this is one of the most highly anticipated releases in company history. After spending the day with her at our [Fleshlight] offices, it is easy to see why she is a worldwide phenomenon; gracefully combining beauty, mystery, and intelligence," comments CEO, Steve Shubin. Stoya adds, "I was very excited at the idea of having a molded replica of my naughty parts available and Fleshlight is the most lifelike. So lifelike in fact, that now I'm having a Freudian moment of penis envy and I'm kind of jealous. Since I can't really use it myself, won't you all do it for me?"

LISA ANN CLOSES DOOR ON HER TALENT AGENCY

After five years in business, Lisa Ann closed her eponymous talent agency. With her own career reaching epic heights since the release of Hustler Video's *Nailin' Paylin* in 2008, an event she called a "game changer," Lisa Ann thought it would be best to step away from the agency she created instead of having to be pulled in different directions and not give the agency the personal attention it needed to thrive. "I didn't really expect my career to take off like it has in the past three to four years," Lisa Ann told AVN while on the road in the midst of a feature dancing tour. "I'm at this point where I've got a few years left [performing] and I really want to make the most of it. I love the business more than I ever have."

"I love doing my scenes, I love feature dancing and I was faced with a time crunch and some major decisions; some mainstream projects and other endeavors came up that I wanted to pursue and I realized I couldn't give enough of myself to the agency. It would be unfair to not give it my all and I'd be doing an injustice to myself, my staff and my talent."

Looking back on her five years running her own business and serving as an adult talent agent, Lisa Ann will most miss the one-on-one interaction she had guiding her talents' careers and seeing them succeed, knowing she had a hand in their success. "I really took a lot of joy in seeing my clients be happy and successful," she said. "As an agent that's what we want for our talent. I wanted to give good advice, advance their careers and help them lead fulfilling lives. I'll miss that interaction as an agent."

ALEXIS TEXAS GRACES THE COVER OF 'THE BIG BUTT BOOK'

LA Direct Models is pleased to have Alexis Texas on the cover of *The Big Butt Book*, edited by Dian Hanson, created and distributed by Taschen Books. To celebrate this major release, Taschen Store Beverly Hills hosted the LA Direct Models starlet and *Big Butt Book* cover girl Alexis Texas along with Taschen "Sexy" book editor Dian Hanson to celebrate the launch of book.

Fellow LA Direct Models stars Breanne Benson and Tori Black came out in support of Alexis, and the release of this critically acclaimed book. "I am honored to be the cover of this incredible book," says Texas. "To see my butt on the coffee tables of homes around the world is truly a thrill. I want to thank everyone at Taschen for a memorable event."

Over 300 people packed the store and stood outside in line, patiently waiting to get into the *Playboy* magazine sponsored party. Camera and film crews snapped away intensely all night, as special guests included film director and producer Brett Ratner, former *Playboy* "Playmates of the Year," Jayde Nicole and Kara Monico, *Playboy* cover girl, Jessica Hall, as well as models and actresses Katie Cleary, Bridgetta Tomarchio, and Marisa Lauren.

Visit taschen.com for information on how to get your hands on *The Big Butt Book*.

SEE THE TRAILER FOR TEAGAN PRESLEY'S DIRECTORIAL DEBUT

Adam & Eve contract star, Teagan Presley, gets her turn in the director's chair with *FemmeCore*, from Presley's company, skinworXXX. Presley told AVN that while she's always had ambitions to direct, the timing wasn't right until now. "In the past perhaps I felt ready, but because of the situation or whatever, the timing was off," Presley said. "Now with being with Adam & Eve and a co-owner of my own studio, it was right and everyone had my back."

Presley maintained that while before she might have directed a boy/girl movie, nowadays with her repertoire only including girl/girl, she wanted to stay in that area, but make it hardcore enough to impress and attract fans of harder boy/girl sex. "It was a challenge to pull this off," Presley said. "I wanted it to be beautiful and sexy, but hard and dirty enough for my hardcore fans. We definitely pulled it off."

Unique to this release is a six-girl orgy scene in which Presley gets double penetrated by strap-ons attached to Alexander and Lisa Ann.

"In my mind, I wanted *FemmeCore* to be an all-girl version of *Deviance*," Presley said, referencing skinworXXX's glossy, hard-edged all-sex release. "It needed to be dark and super-stylish, but also foreboding, dark and brooding. The DP was what it needed to make it nasty enough. I really got pounded." *FemmeCoreXXX.com* is optimized for all devices—720p high-definition for iPads and PCs, and standard-def on iPhones. The trailer for *FemmeCore* can be seen at Femmecorexxx.com/main.htm

JAYME LANGFORD HITS THE ROAD WITH HER ROCK BAND

Sex star extraordinaire, Jayme Langford is currently on tour with her XXX-super all- chick rock group: myspace.com/pajamabandmusic. The all-girl band began their tour last June with a few club shows in Hollywood, debuting such hot tunes as "Sugar Daddy" and "I Text Myself."

Jayme has been hitting the West Coast rock scene pretty hard, playing several venues over the last few months. The sexy star of the new all-girl adult release, *Xero*,

shows off her porn princess charm while still tearing up the stage with her hard licks—and by licks we mean guitar work.

LUPE FUENTES IS A WICKED GIRL

Wicked Pictures, the 2010 XBIZ People's Choice for "Porn Studio Of The Year," is pleased to announce that exotic Latin beauty, Lupe Fuentes, is joining the ranks of the company's award-winning Wicked Girls. In an exclusive arrangement with Wicked, the sensual adult performer and mainstream crossover personality will be starring in four movies over the next twelve months.

"Becoming a [new] Wicked Pictures contract star is like a dream come true for me," said Lupe. Wicked has such beautiful and talented girls, and I am honored to be mentioned alongside Stormy, Jessica, Kaylani, Kirsten and Alektra. I love Wicked's movies so much because they are sexy and often look like big mainstream releases.

On signing her contract with Wicked Pictures President and owner, Steve Orenstein, Lupe enthuses "Steve is the nicest guy I have met in this industry and he runs his company with a real family vibe. Unlike most of the companies I have met with, Steve and Wicked really care about the girls. For me the relationship was the most important thing. I look forward to performing in Wicked's big movies, and bringing my own brand of sexuality to the picture. I will also be directing and producing movies under my own studio Lupe Fuentes Productions, which will be distributed exclusively by Wicked Pictures. In a time when many studios seem to have revolving doors and are even losing their brand's identities, I am proud to say I am a Wicked Girl!" 🍷

ANGELINA ARMANI

BROOKLYN'S FINEST LONGS TO MAKE YOU CREAM

It's no secret that Angelina Armani is the pride of Brooklyn, New York. This 5'10 statuesque sex queen launched her adult career in 2007 and

only a year later, several major production houses were approaching her, and seeking to put her under contract. Angelina signed with Digital Playground and leapfrogged to stardom with the release of *Angelina Armani: The Big Hit*. By the end of 2009, she and Digital Playground parted ways. Angelina has since starred in a number of hit XXX movies including the blockbuster parody, *Not Monday Night Football XXX* (LFP) and *Glamour Girls 3* (Elegant Angel). She has also expanded her career by appearing as a red carpet interviewer at the 2009 F.A.M.E. Awards and starring alongside Justin Timberlake and Christina Ricci in the upcoming Columbia Pictures release, *Born To Be A Star*.

CI: Do you remember what the first porn movie you ever saw was?

Angelina: All I remember was flipping through the channels when I was younger and seeing Ron Jeremy on screen. I don't remember what movie it was, but that first vision of him in action is my first memory of porn.

CI: So many girls in the biz are working towards being a contract star. Having been a contract star for a huge company and a free agent, which do you prefer?

Angelina: It's good to have both. I've learned a lot. Being a contract star has taught me to become more of a businesswoman. I owe (former Digital Playground Head of Public Relations) Adella for that one. We might not have seen eye to eye on some levels, but, for the most part, I've become a lot like her. Being contracted gave me the benefit of working less. But, as an independent worker, I can choose when and how much I want to work. I like being my own boss.

CI: List these things in order of what gives you the most fulfillment in this business: Money, fame, sex.

Angelina: The money is amazing. I throw it all in the bank and don't even look at it.

27602

StoreMags.com - Free Magazines Download in True PDF format

love that feeling. The most fulfilling thing for me would be the fame. It has opened numerous doors for me and continues to do so. As far as the sex—I can get that anywhere to be honest, but I love the fact that I can do it in front of the camera and entertain the rest of the world and bring couples together.

CI: In order to be a great on-camera sex performer, do you think it is more important to be aware of the camera and play to it during a scene, or to be able to forget the camera is even there and take a more natural approach to performing on set?

Angelina: I have noticed that most people love it when it's all natural. Sometimes it's good to play to the camera, but it depends on the fan base buying the product. Different people like to see different things. For instance, couples look at these films to spice up their love life. They don't want to see something ridiculous that they wouldn't be able to perform themselves.

CI: If you had to live on a deserted island and could only take one item from your sex toy collection, what would it be?

Angelina: It would probably be a glass toy so I wouldn't be pissed off if it runs out of batteries. [Laughs] Being alone on the island, I'm sure I'd be keeping myself quite busy.

CI: What is the quickest and best way to get you off: Deep, hard fucking, great oral skills or hot finger-fucking?

Angelina: I love being turned on my stomach and fucked really hard so I can squirt all over the guy.

CI: If there were one aspect of the business that you could do away with, what would that be?

Angelina: Unprofessional people. I'm a businesswoman and really don't have time for any nonsense.

CI: You have also been successful at being an on camera interviewer and reporter. Is that as much fun for you as having sex on camera?

Angelina: It really is. I like listening to other people's reactions and being able to turn the tables and ask other people questions.

CI: Your career includes some work in mainstream vehicles. Had it been your plan all along to cross over, or are you simply taking advantage of the opportunities that have come your way?

Angelina: More and more I would like to totally cross over. This week at Comic Con they will be playing a preview of the horror movie I was in. So, I can't wait for everyone to see it. It's called *Creep Van*, so be on the lookout for it.

CI: Anyone who knows you knows that you are a huge horror movie fanatic. Let's put you on the spot and ask you to name the top three horror flicks of all time.

Angelina: Awesome. Well we all know *Halloween* is an instant classic. *Friday The 13th* would be another. And who could forget about *Nightmare On Elm Street*?

CI: What would you say is your greatest skill as a sex partner?

Angelina: Oral. I love oral sex. I can do it for hours and enjoy every second of it.

CI: Is feature dancing part of your repertoire? Do you tour?

Angelina: I hadn't been, but I will be by the end of this year. I really just can't wait to get out there and perform for the fans in person.

CI: What XXX features or mainstream projects are you working on presently?

Angelina: Well, like I said, I just wrapped up filming *Creep Van*. I'm also doing a few more music videos, and I have a bunch of projects that I'm currently working on. I hope everyone will keep a look out for me.

CI: What is your favorite position to screw in on-screen? Is it the same as your favorite position off camera?

Angelina: I love doing pile driver on screen and being done doggie off camera. It's a bit different with me because I like having sex that's more on the rough side.

CI: What dos and don'ts can you share with fans that have thoughts of approaching you at a personal appearance?

Angelina: All I ask is that you be respectful. I can talk to my fans for hours if they know what I like and what catches my attention. 🍷

AN OFFICE ROMANCE

STARRING: Monique Alexander, Velicity Von, Gracie Glam, Heather Summers, Niko, Charles Dera, Joey Brass, Evan Stone

DIRECTED BY: Lee Roy Myers

AVAILABLE FROM: New Sensations Romance

Perfectly designed for lovers in the mood, this new off shoot of New Sensations promotes romance. This time, the backdrop for this romantic drama is an office, proving that working nine to five can be quite thrilling.

The story begins when Monique Alexander reveals her secret crush on Charles Dera to her co-workers. Embarrassed to make a move, she bides her time. Meanwhile, Evan Stone is get-

ting down and dirty in his corner office with Velicity Von. With melon-shaped tits and a pretty pussy to match, Evan fucks her hard across his desk and feeds her his nuts before the big carnal blow.

As the duo concludes, Heather Summers swoops in to wish Charles Dera farewell. Jealous by her overt display of affection, Monique imagines them fucking in a fantasy sequence. With her legs spread wide, Heather takes Charles deep in missionary position before curling over to take a pounding doggie style. The effects are great!

As the story continues to unfold, Joey Brass professes his love to Gracie Glam. He proves his devotion by licking her labia in the

break room before being treated to an amazing blowjob and plenty of office beaver.

As another admission is revealed, an additional fantasy sequence is developed that has Niko tinkering around Monique's undercarriage. Finally, the big secret is out, which leads to Monique and Charles getting down and dirty.

★★★★

EXTRAS: Get lost in a sea of extras that include ample behind the scenes coverage and plenty of hardcore trailers. Also exciting is the image gallery, although not heavily stocked. The best feature, however, is the "Pick Your Pleasure" menu that allows you to access your favorite sexual positions from a drop-down menu. How cool is that?

★★★★

BUSTY NURSES

STARRING: Courtney Cummz, Phoenix Marie, Mackenzie Pierce, Riley Evans, Sammie Spades, Devon Lee, Pat Myne, David Perry, Jenner, John Strong

DIRECTED BY: Sid Knox

AVAILABLE FROM: Zero Tolerance

If still in need of medical assistance, director, Sid Knox, has you covered. With a professional crew of pole hungry nurses, these busty babes know exactly what to do to get the blood flowing in all the right places—and they do!

Courtney Cummz leads the pack and stands out when wearing a nurse-themed bikini which John Strong obviously likes, and shows her just how much by fucking

and spreading her open across the kitchen counter. Now that's hot!

Although Pat Myne gets a shot in the ass by Sammie Spades, she ultimately succumbs to a lethal injection when he hammers her hole. Doing most of the work, Pat has to coach and train this green newbie every step of the way.

This is clearly not the case for Phoenix Marie, who is by far one of the hottest fuckers in this production. She proves her A-List status alongside David Perry when he annihilates her anus. Brava!

Riley Evans is another anal bitch that does the backdoor-butt-boink with Jenner in the locker room. Giving it her all in each position, she does her best bodacious work

in reverse cowgirl position—taking it hard.

Mackenzie Pierce and Devon Lee team up in the end to treat Marcus London to some old fashioned remedies. With two twats at his disposal, Marcus doesn't stop until both pussies pop! ★★★

EXTRAS: The hardcore trailers for coming attractions are quite nice, as are the well-stocked images that are displayed in the gallery section. Even better than that is the BTS banter that showcases the girls posing for the naughty photo shoots and plenty of on the set bloopers. And just in case you missed it the first time around, you may want to save some slop for the cumshot recap option that is ready to explode. Hot! ★★★

DOCTOR ADVENTURES 7

STARRING: Courtney Cummz, Angelina Ashe, Mason Moore, Memphis Monroe, Veronica Rayne, Diamond Foxxx, Vanilla DeVille, Johnny Sins, James Deen, Charles Dera, Randy Spears

DIRECTED BY: N/A

AVAILABLE FROM: Brazzers

Delectable doctors and naughty nurses have an entirely new crop of patients to cure in the seventh edition to this top-heavy franchise. Although each installment has been exceptional, this edition seems to take the cake. Each scene is so damn hot, that fans will certainly get their money's worth!

Memphis Monroe begins the show when she tries to remove a toy that has been

lodged up Mason Moore's muff by Johnny Sins. Unable to fish it out, Memphis gets down and dirty by sucking her twat. Unsuccessful, she enlists the help of Johnny who dicks both chicks to loosen up their cunt muscles. Finally...success!

James Deen later gets caught tittie gazing during his examination. To end his morbid curiosity, Veronica Rayne shoves his face between her mounds before testing out the health of his cock by slipping it inside her vag in a myriad of positions.

Next, in a padded room, Charles Dera gets a personal evaluation from Diamond Foxxx. Perplexed, she decides to get the root of his problem by palming and pounding his pole to perfection.

Cover babes, Courtney Cummz and

Angelina Ashe, deliver the hottest scene of the movie when they engage in a bedside sponge bath that later includes plenty of suds from Johnny Sins.

As the finale, Vanilla DeVille sets the ER ablaze when treating Randy Spears to some professional-grade TLC that leaves him—and us—breathless!

★★★★★

STARRING: The incredible bank of hard-core images is a wonderful reminder of the hot sex just witnessed. When paired with the cumshot recap option, expect another explosion. Although seed-worthy, you may not want to consider saving a few swimmers for Rebeca Linares. She lets loose in a bonus sex scene that is begging for your load!

★★★★★

JENNA HAZE MEOW!

STARRING: Jenna Haze, Monique Alexander, Faye Reagan, Dani Jensen, Charmane Star, Sophia Santi, Carmen McCarthy, Capri Anderson, Zoe Britton, Karlie Montana

DIRECTED BY: Jenna Haze

AVAILABLE FROM: Jennaration X Studios

Leave it up to Jenna Haze to assemble the sexiest bitches in town for what becomes a stellar bout of lips and labia. With phenomenal pussy pairings and Jenna's constant pursuit of hardcore excellence, fans of lesbian lust should run—not walk—to get their hands on this sticky little number.

Featured in four of the seven romps, Jenna proves to be a sexual dynamo. Reuniting with

Monique Alexander in an award-worthy scene, both girls tear into each other like birthday presents, displaying enviable bouts of pussy sucking throughout. Brava!

Jenna also collides with Charmane Star by blindfolding her. Quickly, the action turns quite physical as Jenna fills up on the soy sauce that rims Charmane's wanton.

A struggle for dominance is served up next when Sophia Santi and Jenna Haze try to fuck each other up. Although Jenna allows Sophia total control at first, she instantly takes it back by making Sophia's mouth moan and her pussy purr.

Always eager to initiate beginner twat, Jenna shows off a more sensitive side of her personality when treating Capri Anderson to

plenty of kissing and body worshipping.

Dani Jensen and Faye Reagan—dressed up as classic glamour girls—get drunk on snatch, while Zoe Britton proves that the best way to get over one bitch is to slide your tongue inside another. Who can argue with such perfect logic? ★★★★★

EXTRAS: Jenna Haze goes all out in an irresistible bonus scene. In addition, she keeps the party rockin' with over 40 minutes of behind the scenes footage. Fans can also look forward to a well-stocked photo gallery section and an "orgasm recap" loop that puts most cumshot recap options to shame. With a name like Jenna, it has to be good...and it is! ★★★★★

LOOKS LIKE FUN

STARRING: Monique Alexander, Alexis Texas, Austin Kincaid, Adrianna Nicole, Angelina Valentine, Jordan Kingsley, Alan Stafford, Voodoo, Alex Gonz, Evan Stone

DIRECTED BY: Paul Thomas

AVAILABLE FROM: Vivid Entertainment

Director, Paul Thomas, presents four vignettes that are all about having a good time fucking. Though he is best known for creating award-winning features, these fun fantasies showcase a more playful side of his directing style and are a good accompaniment to his production library.

It's on, when Alexis Texas and Austin Kincaid meet up at a bookstore. With plenty of oral

given to each, Alan Stafford walks in to find his girl fucking. Invited to join in, Alan dips his dick into each juicy clam with sizzling results. He later sandwiches their titties together and dishes out plenty of tartar sauce!

From here, Monique Alexander decides to pass the time on set by screwing the production assistant, played by Voodoo. Having collided on many occasions before, this duo fit together like hand and glove. With expert oral given by him, and a spongy pussy that is rammed and reddened, these fuckers deliver!

Reprising her role in another fantasy, Monique is later joined by Adrianna Nicole and Alex Gonz. Together they boink in the belly of a boat, although Adrianna takes the grunt of the

action by giving up her ass in multiple positions.

The four-way orgy in the end is out of sight! It has Angelina Valentine and Jordan Kingsley begging for the bone, and working up a sweat before taking a cock blast to the cupcakes. Hot! ★★★★★

EXTRAS: Monique Alexander continues to sizzle in a lesbian tryst that has her pressed up against Jenna Jameson in a bonus scene. In addition, there are a solid selection of hardcore images from the photo gallery, some interesting BTS footage, and previews for upcoming attractions. Also, save some room for the bank of Vivid commercials that are loaded with hot adult products. ★★★★★

THE MARRIAGE COUNSELOR

STARRING: Kirsten Price, Brandy Blair, Jayden Jaymes, Marie McCray, Shawna Lenee, Alex Sanders, Rocco Reed, Tommy Gunn, Tony De Sergio

DIRECTED BY: Jonathan Morgan

AVAILABLE FROM: Wicked Pictures

Kirsten Price and Rocco Reed seek the expertise of a marriage counselor to help spice up their sex life in director, Jonathan Morgan's, latest comedic offering. With a friendly style, engaging storyline, and hot sex—couples would be encouraged to include this flick in their next bedroom romp.

The story begins with the couple revealing their marital shortcomings and personal

fantasies to their counselor. This gives way to Tommy Gunn, dressed as a firefighter—doing his best to extinguish the flames between Jayden Jaymes's hot legs. Flipping her around his pole, Tommy makes her earn his seed and then some.

When that fantasy fails to ignite the lulling couple, the counselor suggests a more dominant scenario. As a result, Alex Sanders is found pouring hot wax over Marie McCray's porcelain body before fucking her up in standing doggie. Hot!

Still not convinced, the couple decides to throw a swing party. Here, Kirsten fantasizes about fucking Tony De Sergio with her studded pussy, while Rocco gets wrapped up in the

idea of nailing two cherry bombshells—Shawna Lenee and Brandy Blair—to the wall. Although both succeed with flying colors, it's the blonde twins that reign supreme with their matching bodies and outfits.

In the end, Kirsten and Rocco find their passion. They get it on in the bathroom, in what becomes a match made in heaven. Great!

★★★★

EXTRAS: Fans of Kirsten Price will be excited to find a bonus fuck scene in the loaded bank of extras. Also included is a stellar image gallery of the hardcore humpers in action, and trailers for more coming attractions. It's upbeat action from end to end. Don't miss out!

Face it, fellas—you'll never pack like a porn star. It's just a fact of life. We set out to discover how our favorite porn sluts felt about taking on a really big dick and their answers might surprise you—not to mention give you a slight glimmer of hope...

SIZE

EVIE DELATASSO:

Luckily, I have been fortunate enough to not have any immense sizes as of late. When I first got into the industry and was with the wrong type of agent, I got into situations with some really monstrous cocks and I couldn't even go all the way on it. But, I'm not gonna lie—I like size. Somewhere between seven or eight inches is good for me, and I like girth, too—nothing too flimsy. But, ultimately, dick size doesn't matter that much when the genuine feelings of love and passion are there. When you're in love, it's a whole different story.

KIKI VIDIS:

To be honest, even though in Australia I was really frisky, I still only had like, two boyfriends. But, I noticed here the guys know how to use it to make it go in angles that feel better. I have a really tight pussy, so when people book me they do know that, so they usually get a guy that is really compatible with me.

QUEENS

LOONA LUX:
I love big dicks—
especially in my ass;
more than my pussy.

24876

25517

AMI EMERSON:
You know, it's more how you
use it more than the size.
Just like every dick is a dif-
ferent shape and size, so is
every pussy, so, it can't be
too small, but to me, it's
about finding a good shape
for you.

StoreMags.com - Free Magazines Download in True PDF format

MIMI ALLEN:
Oh god, yeah! My scenes with guys like Rico Strong who is like, 13 inches...I was just running away from the dick the whole time. I don't like a huge dick at all. I like girth and not too much length. I like thickness.

TATIANA KUSH:
I don't go really big. I have size restrictions. I can't get my hand in, so anything like that isn't going to happen. Like, the big guys in porn I won't touch—no offense to them or anything. I just don't feel like having my pussy ripped open. It's not the length so much as the width.

ASA AKIRA:

The first time I saw Lexington Steele's cock, I was like, 'Oh my god! That is the biggest thing I have ever seen in my life—toys included!' I wanted to like, pick it up and swing it over my shoulder. But, he is one of those guys that know how to use it. I was very scared at first, thinking: "What did I sign up for?" But, it ended up being a really good scene. I really enjoyed myself. I can't imagine [a huge cock everyday], on top of doing porn. That's too much.

RULER

PHOENIX MARIE:

No! I don't come from the place where it's your size. I just come from the place where I'm into you, we're having fun and then I'll cum. I can cum with guys who have like, from four inches to ten—I don't give a shit. I have to actually be into them. People are like size queens. On camera? Yes, I'm a size queen. I have a big ass and you'd better have a big dick, otherwise you can't see it. But other than that—no—[it's] whoever [sic] I like.

27046

LONDON KEYS:

I don't like [cocks] too big. [I] like [a] normal [sized dick]. If the dick is too big, it's no fun. You can, like, flaunt it or whatever—but how many girls really can fuck a big dick?

CASSANDRA CALOGERA:
I don't care, really. My boyfriend that I dated for like, six years was really small—like four inches—and I dated somebody else who was like, nine. I actually prefer somebody who is somewhere in the middle. Five is like, perfect, because I don't really need anything extra. Sometimes the bigger guys can hurt—I don't discriminate.

SWEET GAME OF SURRENDER

SANDRA TOOK CHARGE, WITH ZAFIRA'S HAPPY CONSENT!

Sandra had her eye on Zafira for a while. They'd been friends but nothing sexual had ever happened between them. Sandra suspected that Zafira might have a crush on her only after they had a flirty little chat about the tattoo on Sandra's left shoulder. The way that Zafira said it looked very "becoming" made Sandra think there were some other possibilities on the horizon.

One afternoon, they were sitting around Zafira's apartment trying to discuss where to go for lunch, when suddenly Sandra took a chance, leaned over, and kissed Zafira, who resisted for only a second before settling back into the couch to feel Sandra's hands and mouth start to roam over her still-clothed body. Sandra was pleased, of course, when it was Zafira who tugged up her gray plaid skirt and showed off her sweet, pink panties. "I couldn't make the first move. I just couldn't," Zafira whispered into Sandra's mouth as they kissed again, "I wanted to feel you kissing me, taking me—showing me the way..."

Sandra was used to girls reacting to her like this. She was well known for her "take charge" ways. Soon, she got Zafira's top off and she was sampling those luscious breasts. They were just as tasty and soft as she had imagined. She pulled aside Zafira's pink panty crotch and rubbed the girl gently before sliding her fingers into the wetness. That seemed to make the once-shy Zafira more pliable, and soon Sandra was getting licked by the overly adventurous girl.

Finally, Sandra brought out the double-dong she always keeps in her purse for spontaneous adventures like this. When she felt herself linked to the beautiful Zafira, Sandra finally closed her eyes and just surrendered to the sensations herself. "How nice the situation had turned out so well," she thought, as she began to explode on the toy she so happily shared with the exquisite cunny of her beautiful new lover, Zafira! 🍌

HOT THINGS WE CAN DO!

KAMI
FANTISIZES
WHILE
POSING!

Would you like to get to know me? Dam this magazine between us! How can we ever get to know each other if we have this strong wall in the way?

On the other hand, if we don't ever meet, we can have a perfect little relationship of a different sort, and it could outlast the ones we might have had in real life. I can imagine you taking off your clothes, showing me your body, climbing on top of me, kissing my mouth, squeezing my breasts and slipping your fingers into my pussy. Or, you could imagine running your tongue along my cheek and then slipping your tongue between my lips while you fill your hands with my ass.

I think we can agree that in our fantasy relationships, a lot of the focus would be on my body; partly because I'd like it that way, and partly because I know you like my body a lot. I bet you're already stroking as you read these words, tugging on yourself while you think of what it would feel like to have...say...my titties in your mouth.

Do you like the way I trim my pussy hair? Doesn't it look like a little volcanic explosion just above my pussy? When you'd be licking my clit, my tiny island of pubies would tickle your nose. I'd like to see you trying to lick my clit and not sneeze at the same time! That would be comical.

I know you've been studying my panties, too. Wouldn't it be nice if I could put your head between my thighs and support your neck comfortably in my panty crotch like it's a little sling? You could just reach up your tongue and lick! They're very strong panties, too.

Oh, it's a pity you're out there and I'm in here! But I think in our separate minds we can still make things happen very nicely! ♣

THE RING LEADER

SHE HELPS CUTE
TOURISTS EXPLORE
THEIR OWN JUICY SIGHTS!

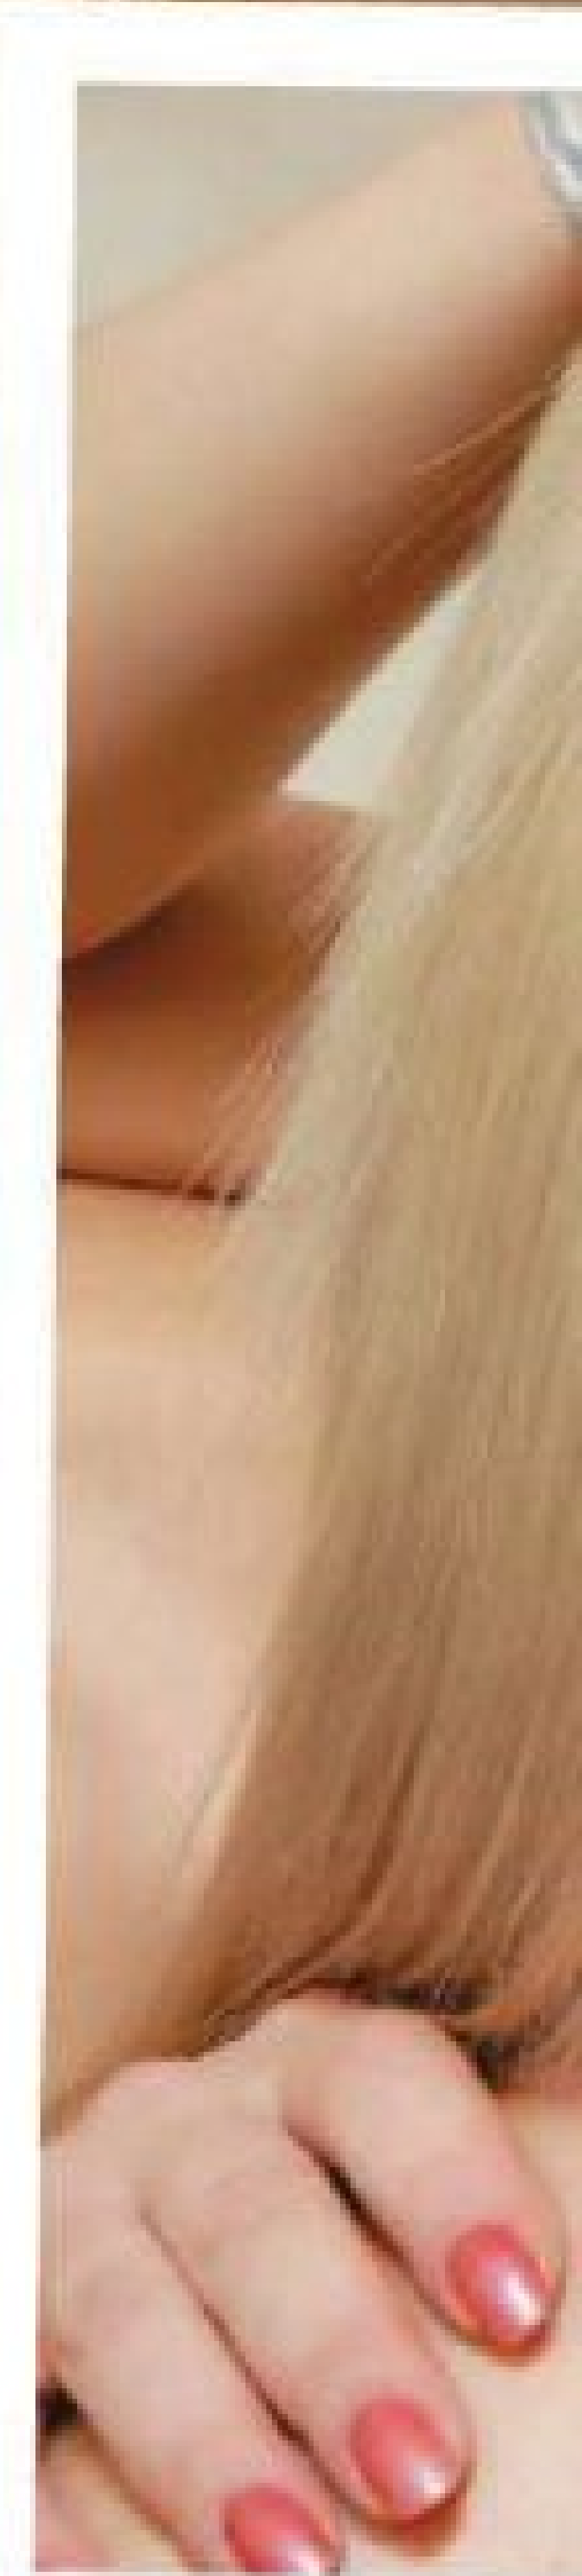

She loved to be the ring-leader in things. It was always that way with her. She always made sure she stood out in a way that people knew from the moment they met her, she would take charge in a situation and lead them on adventures they might not have conjured up themselves.

That morning, when she left the salon with dramatic red fingernail polish with black tips, she knew it was going to be an exciting day. When she met the two white-blond tourists from Norway in the park eagerly exploring downtown New York City, she knew that they were her day's excitement. These girls looked like they were interested in far more than seeing the Empire State Building...and after a couple of drinks, they got a taste of New York right up their sweet Scandinavian pussies and assholes!

Oh, she loved to shock people! And these girls, even though it was clear they'd experimented before by eating each other, were not quite prepared for her happy enthusiasm and unchecked lust! Oh, she loved to nudge one girl's face into the other girl's pussy, and keep it there until the licked girl came, and the licking girl was ready to cum herself. Then, things really got interesting. One of the girls—she couldn't remember who—had such an inviting asshole, and she seemed to want it fiddled with and filled. And as ringleader, she did her best to do just that!

She wasn't so interested in licking herself, or getting licked either—but just watching them go at it, and then filling them up...oh it was great to stick so many of her fingers in a girl's ass again! It had been at least two weeks since the last time. She'd give these tourists from the lands up north a tour all right—inside the inner space of their juicy boxes and bungsies! ♡

The Sex Files 2: A Dark XXX Parody

Legions of demonic alien rebels have landed on Earth. In a destructive attempt of taking over the world by infecting the human race, they have unleashed terror and death over the citizens of Virginia through a black, oily virus they have aptly dubbed "Purity." Do Scully and Mulder have what it takes to solve this crime before the virus spreads to the rest of the country? Or will industrial espionage and foul play within the FBI headquarters stop them dead in their tracks?

This is precisely the scenario afoot in director, Sam Hain's, highly anticipated sequel to his "Best Parody of the Year" winner, *The Sex Files 2: A Dark XXX Parody*. With a bigger budget, more special effects, and a celebrated cast of award-winning performers, expect to get swept away with mind-blowing sex, crisp directing, and a storyline so tight you will be at the edge of your seat, stroking out unidentified flying objects left and right!

The story begins with the Chairman (Eddie Adams) tied to a chair as a manlike creature covers his face with black oil that is spewing from his mouth and eyes. As terror sets in, an alien rebel enters the room, igniting both men into an inferno of flames as he touches them with his silver baton. The stage has been set—the plan for world

domination is now underway.

Moments later, the action quickly turns to Kimberly Kane reprising her winning role of Agent Scully, as she enters corporate headquarters and finds a peculiar clue strewn across Mulder's (Anthony Rosano) desk. Little does she know that Mulder is at home, getting top secret information from Dani Jensen, an inside informant about the fiery deaths and destruction going down in Virginia.

As Mulder and Dani part ways, we learn that Dani is a traitor to her country, and is conspiring with Rocco Reed. Both are enemies of the state and cannot be trusted. Eager to relay information to the other, they meet in a parking structure and begin to fuck wildly in the back of a utility van. Going straight for his cock, Dani unzips his pants and begins removing pieces of his comical disguise. With a blonde wig held neatly in place, Dani begins to stroke and suck up Rocco's cock, bouncing her mouth around his meat. "I've waited all day for this," she chugs, as warm pools of saliva come sputtering from the corners of her lips. Forcefully grabbing her blonde hair, Dani reaches up and lightly smacks Rocco's hand to remind him that the hair on her head is not real. This does not seem to phase him, as he continues pumping his pole into her face.

STARRING: Kimberly Kane, Dani Jensen, India Summer, April O'Neil, Bree Daniels, Bobbi Starr, Nikki Benz, Rocco Reed, Anthony Rosano, Eric John, Ramon Nomar, Eddie Adams (non-sex), Rod Fontana (non-sex)

DIRECTOR: Sam Hain

AVAILABLE FROM:
Revolution X/Digital Sin

"PULLING HER BUTTCHEEKS OPEN, SHE SLOWLY PARKS HER PUSSY OVER HIS POLE!"

"God, you look so sexy!" he compliments, as her pussy pulp begins to drip down her creamy white skin.

"Espionage makes me so fucking hot!" she jokes, jumping on his lap for a go in reverse cowgirl. Despite her pint-sized body, Dani has the sexual libido of a giant, and proves the point by wearing Rocco out in this position!

After a quick water break, and with more blankets laid down for better cushion, Rocco lays into Dani in doggie, making her bark with excitement. "It's my turn now," he snarls, smacking her ass and sinking his thick fingers into the fleshy skin on her hips. They fuck insanely through several more configurations, before Rocco pulls out and anoints Dani's bum with the first cum splatter of the day. It's an unbelievable start. Hain rises to his feet and is pleased!

Given the okay to investigate the mysteries happening all over Virginia, Scully and Mulder set out to investigate the charred remains of the Chairman and his assailant. Immediately interrogated by Agent Fowley (India Summer), it becomes apparent that Fowley may also have a hidden agenda and is not playing by the rules.

This assumption is affirmed when at her apartment, later that night, Fowley is startled by a surprise visit by Cigarette Smoking Man (Eric John). "Tell me what they know," he breaks the silence, as trails of smoke stream from his lips. "Apparently they collected a sample of Purity," India replies, openly exciting and intrigued by her midnight caller.

Setting their next plan into motion, India grabs Eric by the face and begins to run her long tongue over his lips. "Kiss me," she pleads, leaving a trail of warm saliva stringers, linking the corner of their mouths. Unable to resist the sweet taste of her mouth, they begin passion-

ately kissing and exploring each other's bodies.

Spread out over the armrest of her sofa, Eric spits a few juicy wads between India's thighs before going in for a little taste of special agent slit. Holding her legs back at the ankles, India balances herself on the thin cushion and urges Eric to go in deeper. Unable to go deep enough to satiate this bubbling beauty, Eric swaps out his tongue for his tool. Slamming it inside of her in missionary position, India grabs the tips of her nipples and begins to yank them. "You know you like this cock!" he teases, momentarily pulling out to smack the head of his prick over her clit. "Fuck you!" she hisses, "Shove that cock back in there!"

Falling to her feet between positions to suck up the fruits of her labor, India throws Eric against the sofa and leaps into position on his lap. Pulling her buttocks open, she slowly parks her pussy over his pole in cowgirl. With the camera millimeters away from the action, the entire production monitor fills with the sight of India's hole being stretched wide open, as her asshole starts to leak.

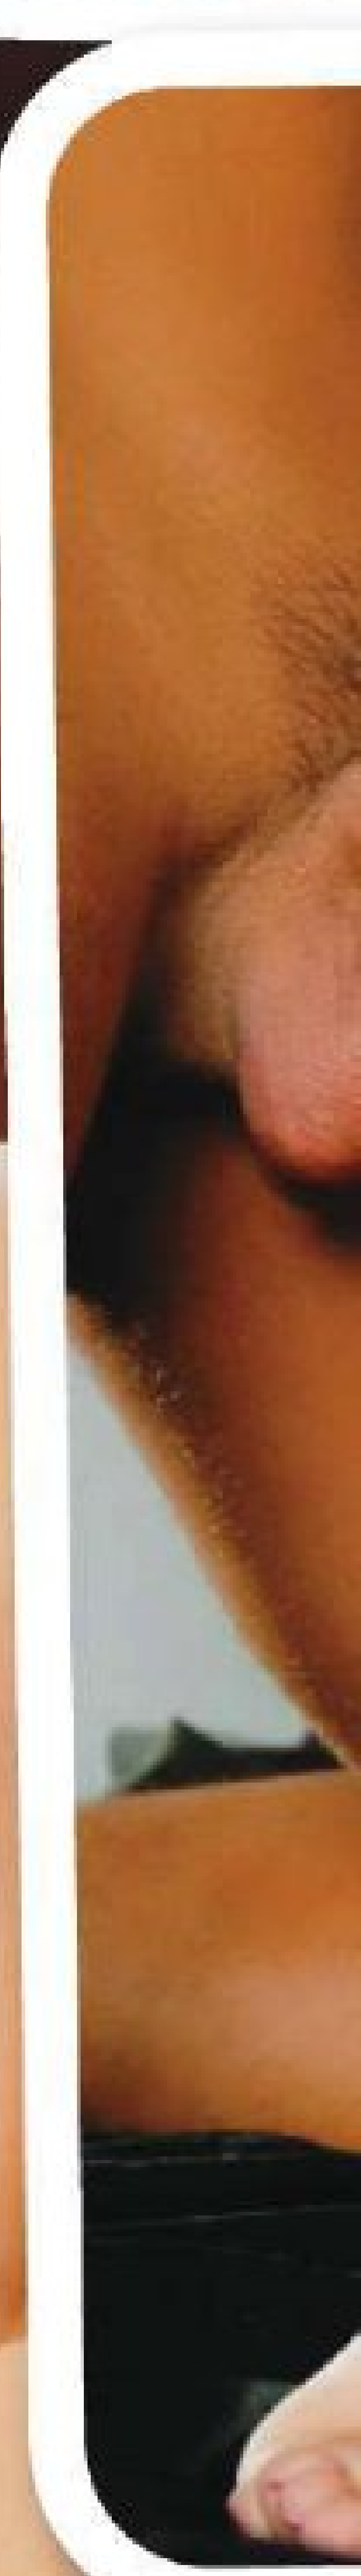

Doing her best job in this sexual configuration, the sloshing sounds of their sex fills the room. The wetness is so extreme at times, that actual pussy juice can be seen splattering against their bodies, decorating their thighs with she-jizz. Eric eventually adds to the liquid love by pumping her pubic hair full of pudding. Hot!

Interested in learning more about the recent government cover-ups and UFO sightings over Virginia, Scully goes to the private

headquarters of the three Lonegunmen. Nestled in a remote warehouse in the middle of nowhere, their lair is equipped with computers, satellites, and high-tech blinking machines that are all state-of-the-art and beyond explanation.

Smelling the gas that was accidentally spilled on her through a impromptu visit by the Cigarette Smoking Man at a gas station, Scully asks to use their shower. Leading her to the bathroom, the men become excited at the thought of agent Scully naked at their place.

Although they are turned on, nothing can match the excitement that Scully (Kimberly Kane) feels when she begins masturbating at the thought of fucking Mulder (Anthony Rosano). Shoving her fingers inside of her meaty cunt, Kimberly begins to slide down the wall as the warm water cascades across her body. With her legs spread out to the camera, we see her clit puffing up like a kernel of buttery popcorn. "Mulder, I want you!" she sighs, sticking her thumb inside of her asshole and pleading for him to go deeper.

As her imagination takes control, Anthony Rosano (Mulder) appears in the shower with her. "I want you, too. I've always wanted you," he whispers, running his hands over the soapy curves of her swollen tits. While he nibbles on her neck and kisses her shoulders from behind, Kimberly reaches her hand around and starts to stroke up his big dick. Growing in her grip, Anthony darts his fingers into her holes to collect her sweet syrup underneath his fingernails.

"Take me. Take me now!" Kimberly pleads, falling to her knees and locking her hands behind her back. With his cock dangling in front of her face, Anthony swishes

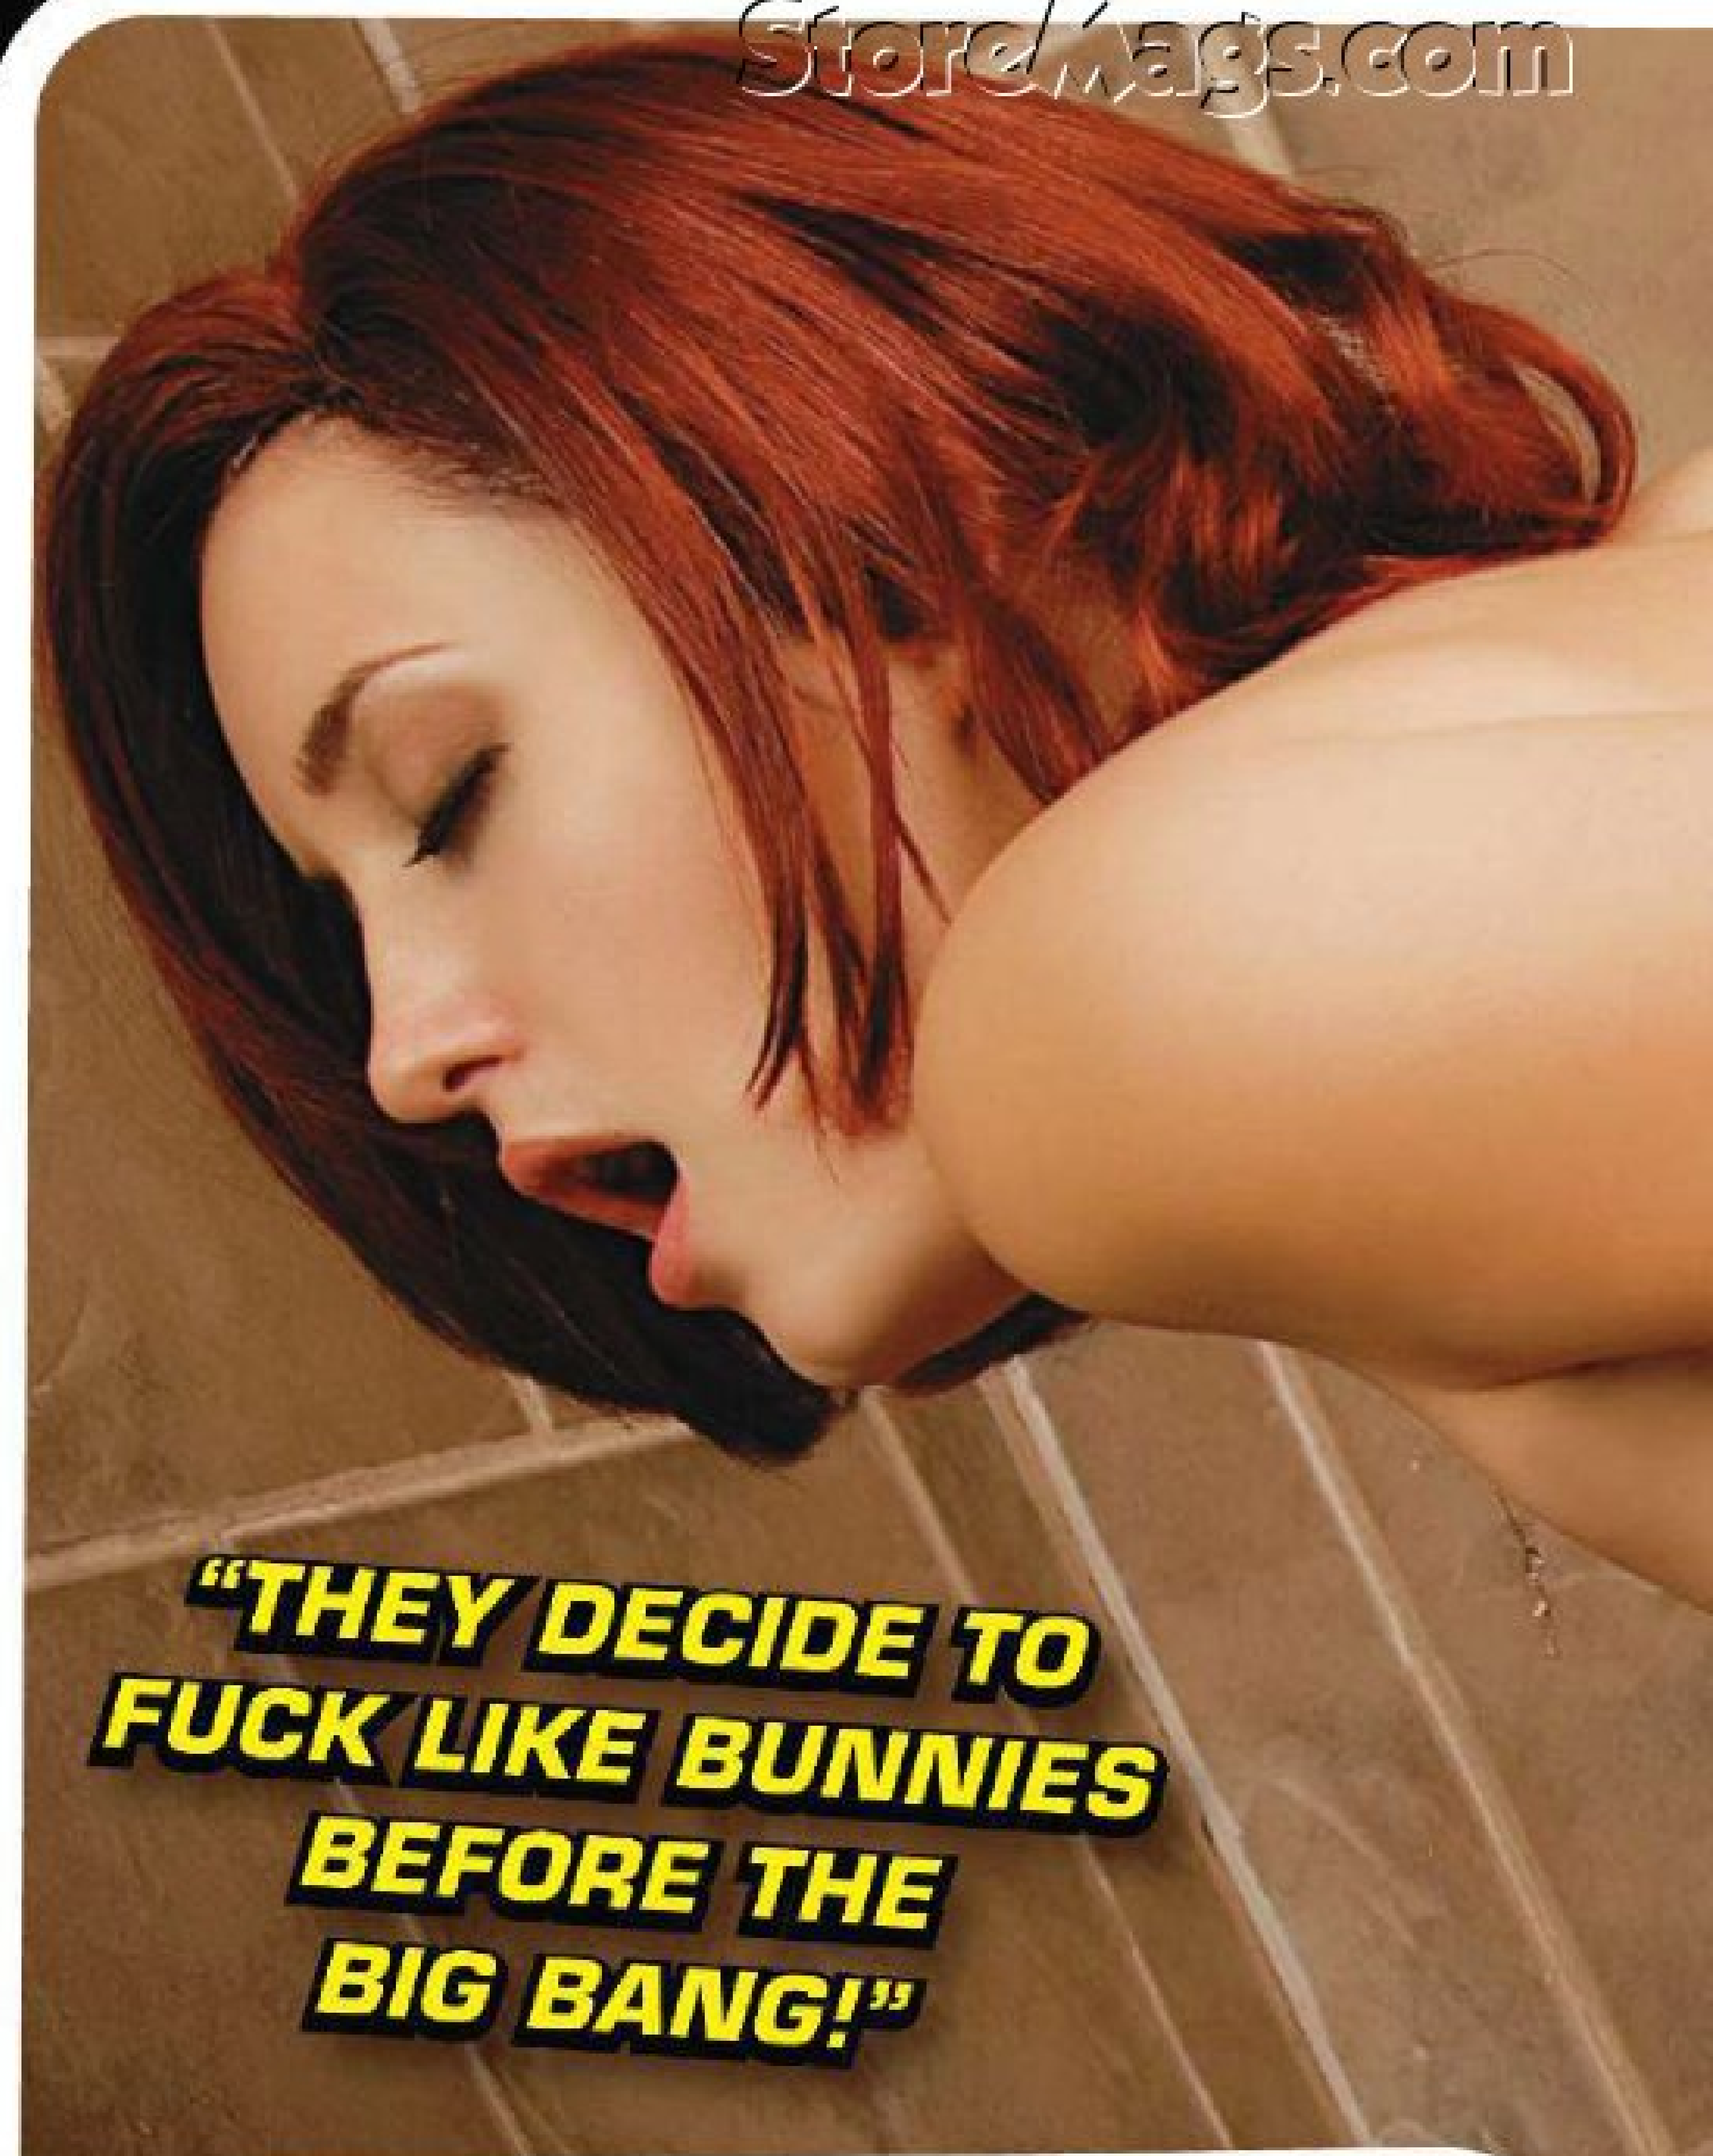

his banger back and forth across her face before plopping it square into her mouth. Using just her mouth, she rushes his length to the back of her neck, until her eyes bulge and her mouth gags. Curving her tongue around his balls, she continues to please all of him, as the water rushes over both bodies. "Make me gag!" she cries out again, "Make me your bitch!"

Smashing her up against the shower wall with force, Anthony parts her legs open using his feet and slams his cock up her ass. Yelping with excitement and surprise, Kimberly latches onto the showerhead for added support and takes a solid anal pounding. "Fuck me everyday. I want you to fuck me everyday," she whimpers, momentarily realizing that her fantasy has no basis in reality. The scene comes to a close after a few more positions and a pop so healthy, it literally covers Kimberly from naval to nose!

With half the population of northern Virginia now infected by Purity, Nikki Benz, Bobbi Starr and Ramon Nomar, are among the last of its victims. Before succumbing to a grueling death by way of human combustion, they decide to fuck like bunnies before the big bang! With both girls on the floor, slobbering his knob, the only thing Ramon has to do is sit back, enjoy the wet mouths, and decide which hole he'd like to fuck first and how. This trio really delivers with an award-worthy three-way that shouldn't go unnoticed come award season. Without giving up too many details, we'll leave this one alone and let you experience every nook and cranny for yourself—and man is it juicy!

Pinpointing the next attack on Virginia soil, Scully and Mulder find themselves in the middle of a national disaster. As the entire population of Virginia, now infected by Purity, begins to close in on them, Scully and Mulder's lives are in danger like never before. How will they come out of this alive? Will they come out of this alive? You're going to have to check out *The Sex Files 2: A Dark XXX Parody* for yourselves to discover all of the grueling details. We promise you one thing: It's an ending you never saw coming! ♠

to go to a popular bar. I didn't expect much, but what the hell, I had nothing to lose—and only pussy to gain. The place was pretty crowded, and most of the chicks were decent-looking. It was time to get my groove on!

I sat down at the bar and ordered a drink. As luck would have it, a nice-looking blonde was sitting next to me. I smiled as I sipped my booze. She looked disinterested, and as I tried to start a conversation, she wasn't buying it and kept ignoring me. I didn't care; there were plenty more girls around. I was going to get loaded, then pursue my prey. I've found that alcohol usually gives me that liquid courage.

After a couple more drinks, I got up and started walking around. There were a lot of tempting young ladies, all obviously trying to attract studs, pedaling their cunts for drinks and, perhaps, dinner. I guess I didn't whet their appetite. As the evening progressed, I kept on getting turned down. It was really exasperating to watch as girl-after-girl got picked up, made out, then left with a new-found friend.

It was getting late, and I was about ready to leave. However, I decided to take one last walk around the joint. As fate would have it, I saw a cute brunette at one of the tables. I figured she had just arrived, as I hadn't noticed her before. Our eyes met and I could tell that she was interested. I walked over and sat down next to her.

We hit it off right away. Her name was Diane and she was a 22-year-old nurse. We made some small talk, but I knew she was as horny as I was, so I felt comfortable enough to put my hand on her knee. She smiled, then placed her hand on top of mine and began guiding it toward her pussy. I quickly realized that she didn't have any panties on. Under the table, I began massaging her cunt and clit. Diane's face told the story. Her tongue swirled around seductively as her lips parted and twitched in pleasure. I was just scared that she was going to start moaning and alert the whole place as to what was going on. Thankfully, she managed to contain her enthusiasm.

After a couple of minutes, she pushed my hand away. Then she stood up, took me by the hand, and started leading me away. I couldn't

imagine where she was taking me, but I was kind of shocked when she led me into the ladies' room. I was relieved that there wasn't any one else in there. However, I still wasn't quite sure what Diane had in mind. Then again, I should have known!

She walked into one of the stalls and I followed. She locked the door and that's when the fun began. She took off her dress, revealing small, but firm breasts, and a nicely trimmed bush. My hard-on instantly got harder. She then pulled off all my clothes, and we both stood in the stall stark naked. Diane proceeded to take my

joyous passion. If anyone had come into the bathroom in the midst of all this, we were oblivious, but I'm sure they heard quite a performance.

We both came at about the same time. I exploded in her and she went into orbit—banging the walls of the stall with her fists. I lifted myself off her and put my clothes back on. She did the same. We smiled at each other and then walked out of the bathroom and back to the table. She smiled again, thanked me for a "Nice evening" and said she had to leave. As she walked toward the exit, I was in a flabbergasted state. I just had the best sex of my life with someone I didn't know, and then she walked out—without as much as leaving her cell number or email. Then again, she did leave me with an unforgettable memory—and a night of sweet relief from my mundane, undersexed life.

Diane, wherever you are—I thank you! —**Jake O. Elkhart, IN**

A SHORE THING

Going to bed with two women was always my hottest fantasy—one that finally came true. It was a holiday weekend, so I went down to the shore on Saturday night and hit a popular bar, where there's always a lot of action. Two good-looking chicks were sitting together at the bar, with an empty seat beside one of them, which I quickly occupied. We started talking, and the girl I was seated next to was as friendly as could be, and we danced and drank till closing time. Her name was Donna, and she introduced me to Carol—the blonde she was with. Donna told me that they were best friends, staying at a seaside motel for the weekend.

There was, however, a guy trying to hit on Carol, but he was an arrogant bullshitter, and lucky for me, she didn't like him. He did buy her a drink, though, and once she was done guzzling her cosmopolitan, she ditched him—and that's when the three of us went back to the girls' room.

Once inside, I held Donna, kissing her while caressing her full,

soft, fleshy ass. She responded by grinding her pussy against my leg and bulging crotch. My busy lips and tongue moved from her mouth to her ear and down her neck, as I slowly and sensually kissed my way down toward her breasts, unbuttoning her blouse, puckering every inch of flesh as it was slowly revealed. I massaged her full, soft tits through the silk fabric, rubbing her erect nipples with my thumb and fingers. I gently kissed her beautiful, large-nippled boobs, running my tongue around the tip before sucking as much of her mammoth flesh into my

dick in hand and place it in her mouth. This girl certainly knew how to give a blowjob!

When my cock felt like it was about to burst, she stopped her oral ministrations and let my rod slip out of her mouth. She then sat on the toilet seat, leaned back, spread her legs as wide as they would go, took my prick and guided it into her warm, wet pussy. I started to pump away with wild abandon, forgetting that I was fucking a "stranger" in the ladies' room of a public bar.

I didn't care. It was an incredible fuck. We both started sighing and shaking, unable to control our

mouth as I could handle all at once by myself.

Donna sighed and panted as she undid my pants. My stiff cock was straining to be released from my briefs, so I slid them down. I sat on the bed to take them off. Donna was wearing transparent pantyhose. Standing in front of me, she rubbed her gorgeous, brown-haired pussy, pushing the fabric into her slit, saturating the crotch

She licked up and down the length of my ass crack, then spread my cheeks apart and did it again. I was licking Donna's pussy like crazy when I felt Carol spread my butt flaps even wider as she stuck her tongue in my asshole, kissing and licking it wildly. I have to say, the feeling was fantastic!

Donna sighed a blissful "Aahh," as I gently slid my cock into her warm, well-lubricated pussy. It was the tightest pussy I ever felt. The sensations on the head of my cock were so great that I soon lost control; my body tingled and my balls erupted as my cock throbbed and throbbed, filling Donna with hot squirts of cum.

It was one of the best orgasms of my life! I pulled my dripping cock from her pussy, as she rubbed my balls while she sucked me dry.

Carol was on her back in a masturbatory

I kissed Carol's belly and tits, sliding my cock into her hot cunt, pumping fast and furiously. She had another orgasm, and it must have come from her G-spot because it was a wet one! She told me not to cum in her, so I pulled out and we got into a sixty-nine position—with I on my back with her crotch at my face.

She fondled my balls and stroked my shaft while she kissed and licked the head. Then she sucked my cock into her mouth—her head bobbed up and down the length—and her lips and tongue kissed and licked wildly over the tip.

With my tongue in her pussy, my nose nestled in her asshole. I kissed and licked her entire crotch and along the crack of her delectable ass. Her ass squirmed and she heaved a pleasurable sigh when I jabbed my tongue in her asshole and went into a licking frenzy. She quit sucking

with her musky love juices. Inhaling the alluring aroma, I kissed her pussy through the pantyhose, pressing my face tightly against her wet crotch, sucking her juices and holding my tongue out, pressing it against her pussy while she moaned and fucked my face. Finally, I pulled the pantyhose down, licking her delicious cunt.

Carol was standing nearby—naked—rubbing her pussy as she watched us. My face was buried in Donna's muff when Carol came over and ran her hands over my ass, telling me she loved my sexy buns, proceeding to cover my ass with warm, wet kisses. That's when I discovered that Carol was the wildest girl I'd ever met—perhaps the kinkiest lady alive!

frenzy, so I kissed her small tits. She immediately put her hands on my head, pushing me down to her hungry hole. She was a natural blonde, with a real fine bush and nicely split mound. She obviously liked a fast pace, so I went to it like a wild animal!

I first kissed and licked her pussy, as she writhed and bucked, raising her ass off the bed, pushing it up to my mouth. I spread her pussy with my fingers, burying my face as deeply inside her as I could. I licked her cunt with the fury of a sex maniac. I couldn't breathe and had to come up for air a few times, but I loved it and she did, too! She didn't hold back when the orgasmic waves shook through her impassioned body!

my cock and just sighed and moaned in ecstasy, as she shoved her ass back against my tongue. She rubbed her pussy and had a tremendous orgasm. Carol then went to work on my cock, not stopping until she swallowed every drop of my load!

Donna had got off again by playing with herself. We smoked and talked awhile, then Donna started playing with my dick and balls, sucking me hard again. We fucked again, and that's how it was for almost six hours! I was drained, my cock was sore, and my tongue and jaw were aching—but it was the best night of my life!

KEEPING ABREAST OF THE CENSUS

Dear Club International,

Everyone has a fantasy of doing something totally out of character, but would never do it. Well I did! I am one of those people who never sent back their 2010 census report. A couple weeks ago, I was sitting in the kitchen having my morning coffee when a car pulled up in front of the house. A good looking man about my age stepped out and started walking towards my front door. I would normally never open the door, but he was my requirement of the perfect-looking man. He rang the bell and I opened the door. He identified himself as a government employee with the Census Bureau. "Sure, come in and tell me what I have to do." I slowly walked ahead of him, giving him ample time to see my firm buttocks through my

feeling the live one inside. I felt the throbbing of his massive lump as he casually sat there as though he were expecting this all along. I pulled his pants down and gazed upon his bulge of pleasure. His Cyclops was throbbing and ready for anything my devious mind had in store for it. I gripped his cock tightly, letting him know I meant business. He winked at me as I moved towards him, taking aim at his dick. I licked the head and shaft like an ice cream cone and relished in the taste of his pre-cum. He was moaning as I gave him a silky wet blowjob, letting it sail down to my tonsils. I swallowed a few times to make sure I was not going to choke on his beef stick. I tackled and tickled his pole the way any man would like.

I could feel my pussy juices

"He grabbed the back of my head as he let loose a thick volcanic eruption deep in my throat!"

tight jeans. He opened his briefcase and took out the questionnaire. He started to ask a few questions, but my mind was on something else: The crotch of his pants. I envisioned his cock stuffed inside his underwear, struggling to break free. I leaned over to take a look at the form he was filling out, allowing him to gaze down my blouse. The top two buttons were conveniently undone, giving full view of my firm breasts crammed into a lacy bra. "How many people live in this house?" he said. "Two and a half," I softly uttered. "Two and a half, could you elaborate on that please?" "My husband travels a lot with his job and is never here. Sometimes he's gone a couple weeks at a time," I said sadly. At that moment, I noticed his pants's puppy barking to break out.

I leaned forward staring him in the eye. "Is there anything else I could do for you?" I purred, patting the crotch of his pants,

starting to flow as my mouth worked wonders on his cock. I could taste more of that salty milk emission slipping through the crack of his head. "Oh, god" he cried, as I curled my tongue around the underside of his rod. His dick throbbed and swelled in my mouth, and at that moment, I knew he was close. I stepped it up a notch or two knowing he wouldn't be able to delay his eruption indefinitely. I was working him over from every conceivable angle—harder and faster. He grabbed the back of my head as he let loose a thick volcanic eruption deep in my throat. It was too much for me to capture every drop, but I was satisfied nonetheless.

"Oh my god, that was the best blowjob I ever had." "I'm not done with you yet," I snickered, as I stood up and peeled off my jeans and blouse. His eyes bulged, staring at my oversized nipples. He went for them, feast-

ing with great passion. His tongue made them even harder. It was quite evident he was a tit man. He lingered on them for what seemed like hours, soaking them with spit. My hooters hummed with ecstasy and I couldn't wait any longer.

"Don't just lick them. Stick that fat cock of yours between them and fuck them." I laid on the floor while he straddled my chest with his organ, placing it in the dead center of my boobs. My tits became more sensitive than ever once he plowed into my cleavage with fantastic force. I squeezed my boobs together hard against both sides of his rod, making the friction even better.

I reached forward with my tongue, catching the tip of his cock each time he thrust forward. I could taste the pre-cum every time. "Shoot your hot load on them," I begged. He worked them at his own pace, increasing the speed with every passing moment. I felt the pressure of his meat swell even more

as I pressed my tits harder into it. I knew he was primed to pump out another load. "Give it to me! Give it to me now!" I screamed.

Just as he unleashed another hot, massive load, he backed off a couple inches, shooting it deep in the middle of my hooters. The pressure of my tits pushing together created a white avalanche flowing around the sides of both mountains. My skin was so drenched that I was momentarily paralyzed by the warmth of it running down my body.

He collapsed on the floor next to me as I anxiously licked his load off my knockers, savoring every drop. I could see he was out of gas and there was no chance of getting him up for a good fuck. I can certainly say that if you have not returned your Census, someone will be calling on you. Contrary to popular belief regarding government employees, this was one gentleman who left a good taste in my mouth.

HARD TOYS & HOT WORDS

Dear Club International,

Last Sunday was beautiful outside, and I was standing at my table in the park, selling my photographs. Being a nice-looking female, I get men trying to hit on me by using my photos as an excuse for small talk. "Oh, I like street photography," they usually say. "You got some good shots here." Hey, I understand, they're just trying to connect.

But, although I like men, right now there's a woman who's got my attention. I don't know her name or where she's from, but every once in awhile she shows up on Sundays and comes over to my table and

buys a few photos. Then she invites me up to her suite in the nicest hotel off the square and we fuck each other with her collection of wild toys.

She's around my age—very attractive and boasts a great body, but she's kind of cold in the personality department. However, that's okay, because it's not about love or getting-to-know-you. I'm here to fuck!

So, last Sunday she appeared again, and spent about two hundred dollars on my whole new series, the medium sized prints I did of the Brooklyn Bridge. When I came up to her suite later, she was on

the phone telling someone they were going to love hanging one of the new pictures from Katie (that's me) in their office.

"My roommate is very impressed with your work, Katie," she said.

"Probably not as impressed as you are with my other creative skills."

"Oh, you're right about that," She moaned.

She then kissed and undressed me. She was wearing a robe and took it off, displaying her naked body.

We relaxed and sat next to each other on the couch. She had me suck one of her toys then slipped it into my pussy really slowly while I watched. "I like to think of you as my girl photographer and I'm your rich patron. Just a wealthy woman with nothing to do but help

your pictures and get fucked by my girl photographer," she said, like her words formed images that were turning her on immensely.

"Maybe I could take a picture of you sometime," I said, nuzzling her throat while I moved the toy back and forth in her slickness.

"You'll be the naked one, though. We'll find a bridge and you could stand in front of it. Would you like that?"

"Mmm...yes! Oh, keep fucking me with that thing!"

So, I did. She lifted up her legs all the way to her chest and I watched the dildo move in and out of her pussy. Then I told her to turn over so I could fuck her doggie style. I knew what she meant about wishing for a dick. The toy started to feel like it was part

"I moved the toy faster, matching it with the speed of my licking!"

talented artists."

I didn't say anything because the dildo combined with her words was making me hot I couldn't stand it.

"I'd like to watch you take pictures sometime. Do you wear clothes when you shoot?" "Always," I said. It was too hard to concentrate as her hands were playing with my pil-low titties.

She kissed me and said, "Maybe if I came along to watch you shoot, you could get naked?"

"Would that make my pictures better?"

She angled the toy against my clit. "I like to fuck you, Katie. I Wish I had a dick to do it with."

"You do well enough," I said. "Very well—oh!" I started cumming and made a lot of noise. My pussy was a wet mess.

"Now you fuck me." She leaned back and we embraced in a deep kiss.

She tasted so good as I worked the dildo into her. She looked at me closely. "I come to New York to shop and to buy

of me, but not part of me. It has to be attached, and straps just aren't enough.

Well, maybe in my next life.

I didn't know much about this woman other than she was gorgeous, had money, liked my pictures and loved for me to fuck her with toys. That was enough, I'd say.

Those poor guys in the park didn't have much of a chance as long as I had this mystery lady showing up from time to time. Yet, maybe when she stopped coming by, I'd get back into men. They can be interesting, too.

"Lick my asshole," she said, and I hovered behind her with my tongue while I kept moving the dildo inside her pussy. I moved the toy faster, matching it with the speed of my licking. Within a few moment, she started cumming.

She came for a long time on the couch—a shaking, wet mess. With her fervent sexual desire, it would be hard to tell how wealthy she actually was.

READY FOR HIS DEPOSIT

Dear Club International,

A new bank opened near my job, and there was something bizarre about it: One of the officers—a cute blonde—had her cubicle next to the window. When you'd walk by, you'd be able to see her sitting there, long legs in high heels stretched under her desk as she worked on her computer or talked on the phone.

It was hard not to stare. I'd stroll by on my way to the deli for breakfast before going to my own office, and I had to laugh because it seemed like the bank was, in a sneaky way, giving us a "girl show." Not very dignified for such an institution.

But, call me "Mr. Susceptible." I went in one afternoon to get info about a new savings account. I had to finagle to get that girl to be my bank officer, though. I let an old lady go ahead of me so I could wait for the blonde, whose name was Petra.

Odd thing is, the moment we started talking, I got the feeling she'd had her eye on me, too. I guess I'd lingered a little longer than I thought in front of her window. She had a funny little smirk the whole time she was taking down my information for the new account. I liked the way she tossed her long hair off the right side of her face, almost to punctuate her questions.

Then she leaned back, crossed her legs, showed me her knees, and shot me a few queries about my long-term financial goals. I told her I was mostly concerned with the immediate present, and then let my eyes move down to examine the sheen on her pantyhose, which I realized up close that they were more like actual nylons.

Well, I found out later that she was wearing nylons under her black skirt, since we met for drinks about six thirty that evening. She said she didn't usually hook up with the bank's customers, but that the

window she sat in was a benefit for her, too, and that she'd been giving me the eye in a subtle way and that's probably why I'd come in, not just because she had good legs. Although she knew damn well that her legs were pretty special.

She was doing well at the bank and had a nice apartment only a block away, where we headed after our drinks. We started kissing in the foyer right inside the door, and the

my hands, feeling the softness of her soles. I'm not a big foot guy, but it turns me on to nibble and kiss a girl's feet a little while fucking her. While I was doing that, she got the same smirk on her face that she had when I came in to get the account. She was some teaser, holding out the goodies and then smirking when you reached for 'em. I stopped the toe nibbling and held her ankles tightly, fucking her fast

next thing I did was go for those legs. Yep, she had nylons and a garter belt to hold them up. I love the look of garters against a girl's thighs. I slipped my fingers underneath the tops of her stockings and felt her flesh there while we sucked on each other's tongues. She really threw her whole body into it, curling her stocking legs up against me and holding me tightly with her arms. But, it was difficult staying in a vertical position, and I managed to hustle us into her bedroom at the first opportunity we got.

We got our clothes off, but I told her to keep the stockings and garters on. I like the whispery sound of nylons when they rub against sheets. And I like the way a girl's feet look under nylons, especially if the toenails are painted a dark color. As I started fucking Petra, I lifted up her legs and held her nylon-covered feet in

and strong between those nylon-covered legs. She played with her tits as she kept looking at me, but then finally she closed her eyes and bit her lower lip as she went seriously toward the orgasm zone. I banged her faster and liked how her nylons started to look a little sloppy, bagging a bit as she moved and grunted under my dick. I like that messiness, too, as much as when the nylons look smooth and neat.

Finally, she began screaming that she was cumming and as she squeezed and twitched on my dick I let myself loose. However, I made sure to pull out and shoot all my sticky stuff on her stockings.

She looked down at my big gobs with that same old smirk, but she certainly didn't seem to mind that I'd just ruined a perfectly good pair of her nylons.

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

MASSAGE FIT FOR A QUEEN

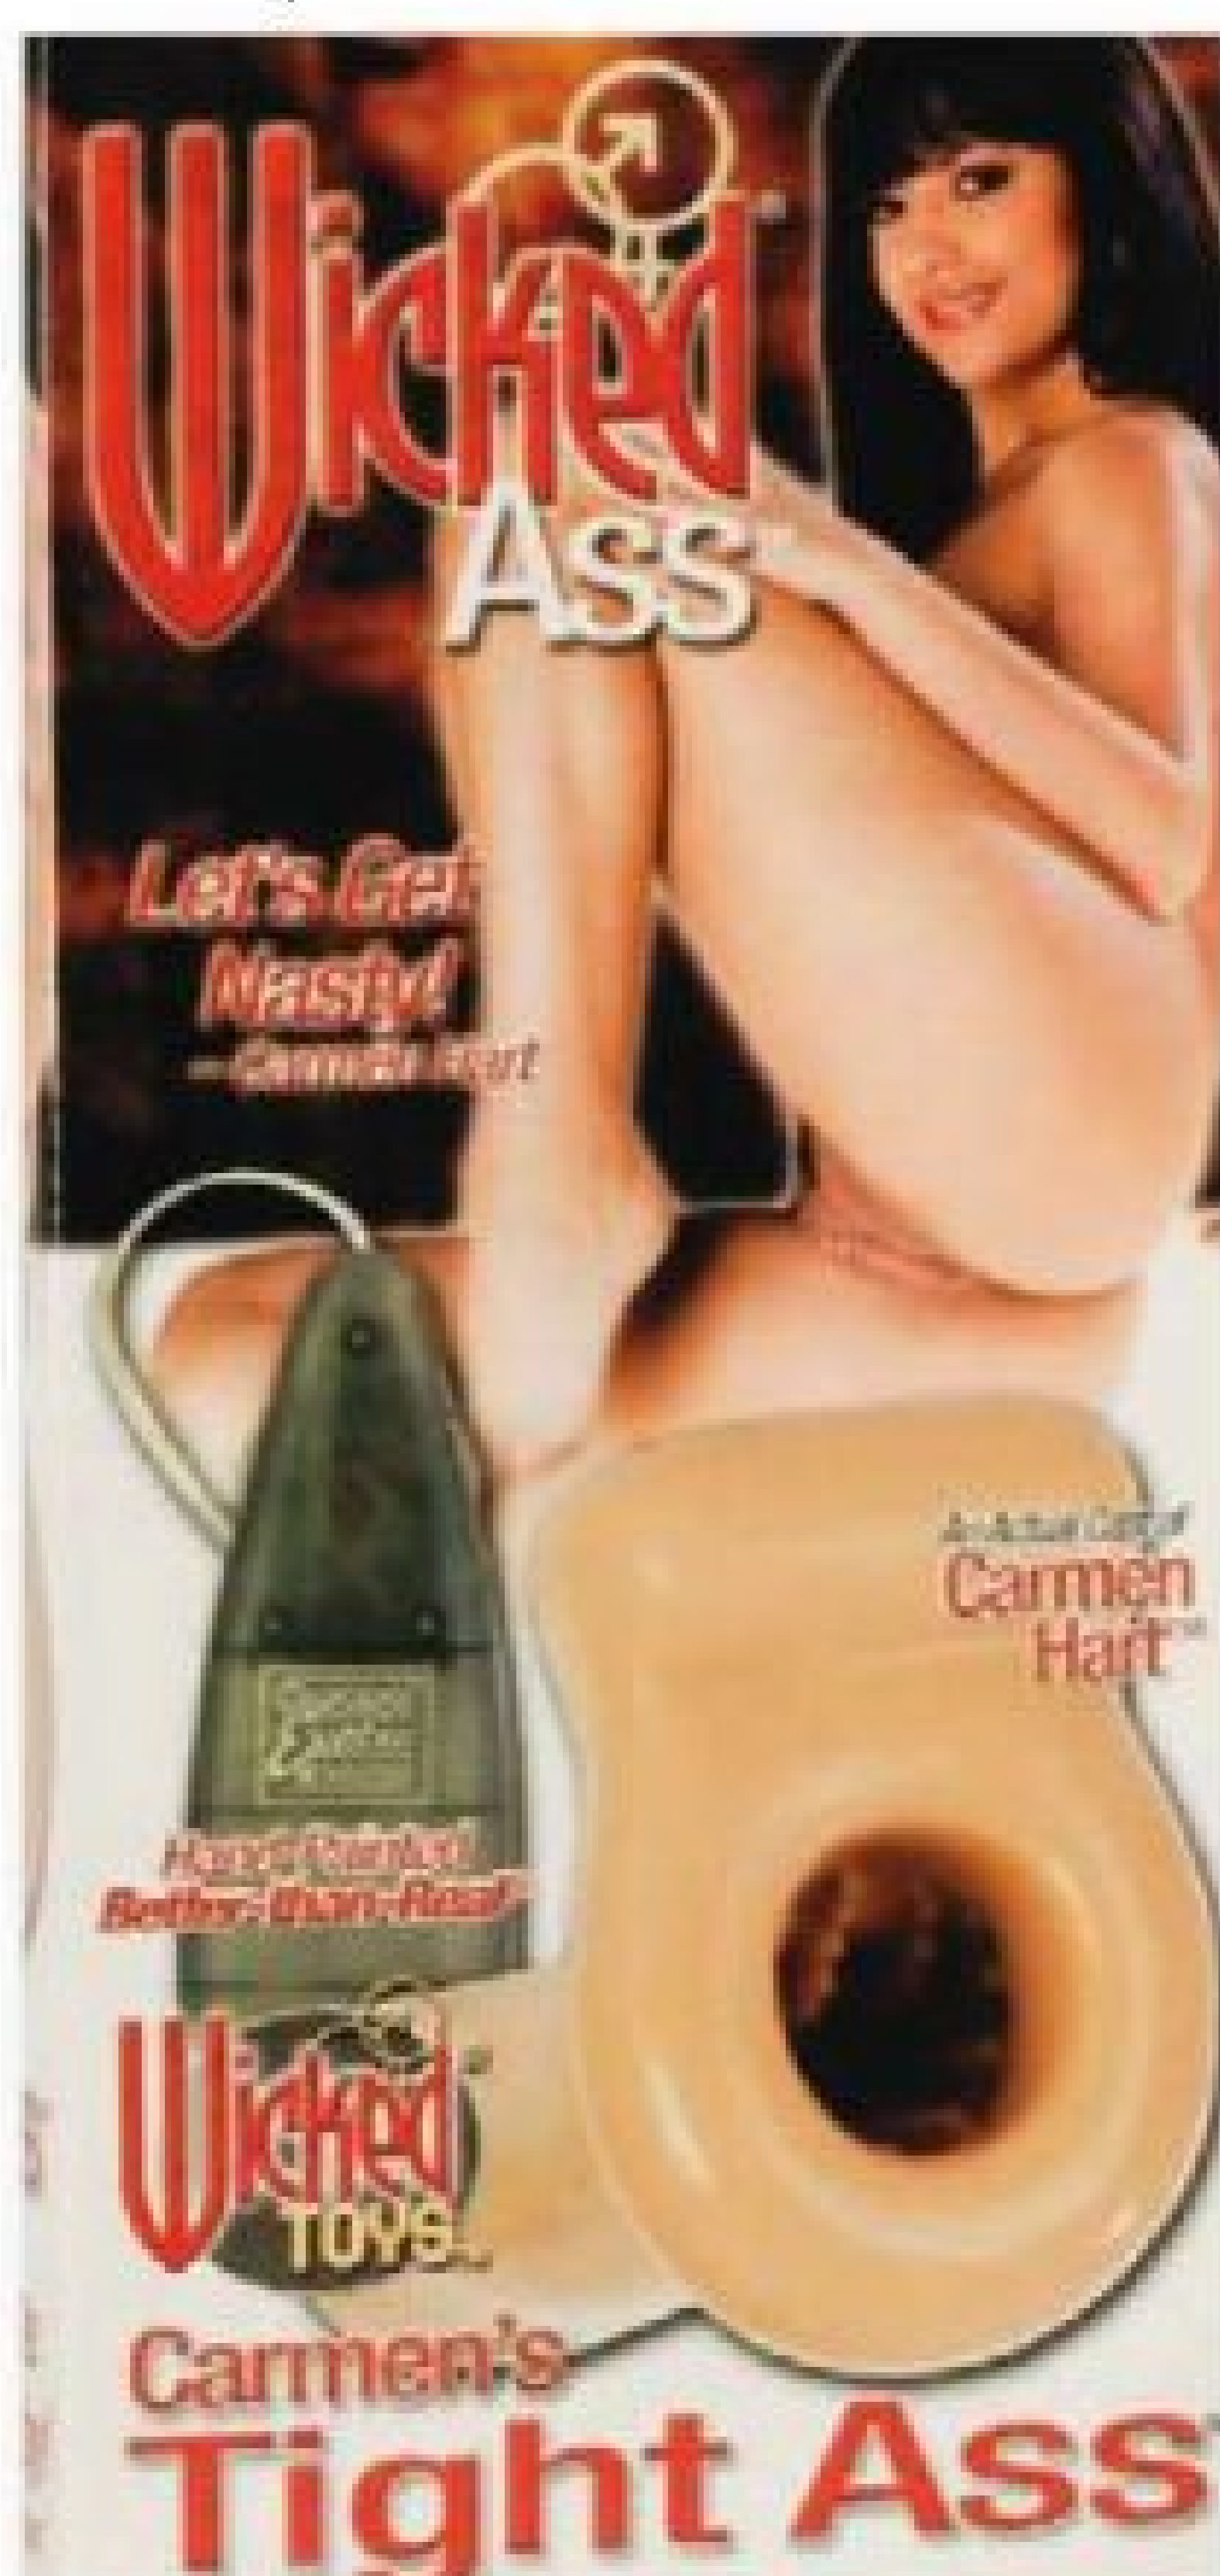

I told you last time that my occasional bed-buddy, Brick, and I had a tiff about his reluctance to get into kinky sex. We weren't seeing each other for a while, then we reconciled. Now, he's going out of his way to be nice to me—and get kinkier sometimes, too. One way he's nice is that he gives me frequent massages using a Power Ball in pink (which also comes in blue) from Cal Exotics. This is a soft massager with a velvety texture that fits into the palm of his hand, works on three AAA batteries, and has ten modes of ever-increasing vibration and pulsation. It feels heavenly when he rubs it across my naked body as I lay there like his queen! My pussy always gets wet when I receive a good massage, so I send Brick "downtown" after the massage to lick up the mess! Look for your Power Ball in the "Waterproof" section of www.calexotics.com.

ANUS-ANYTIME, ANYWHERE!

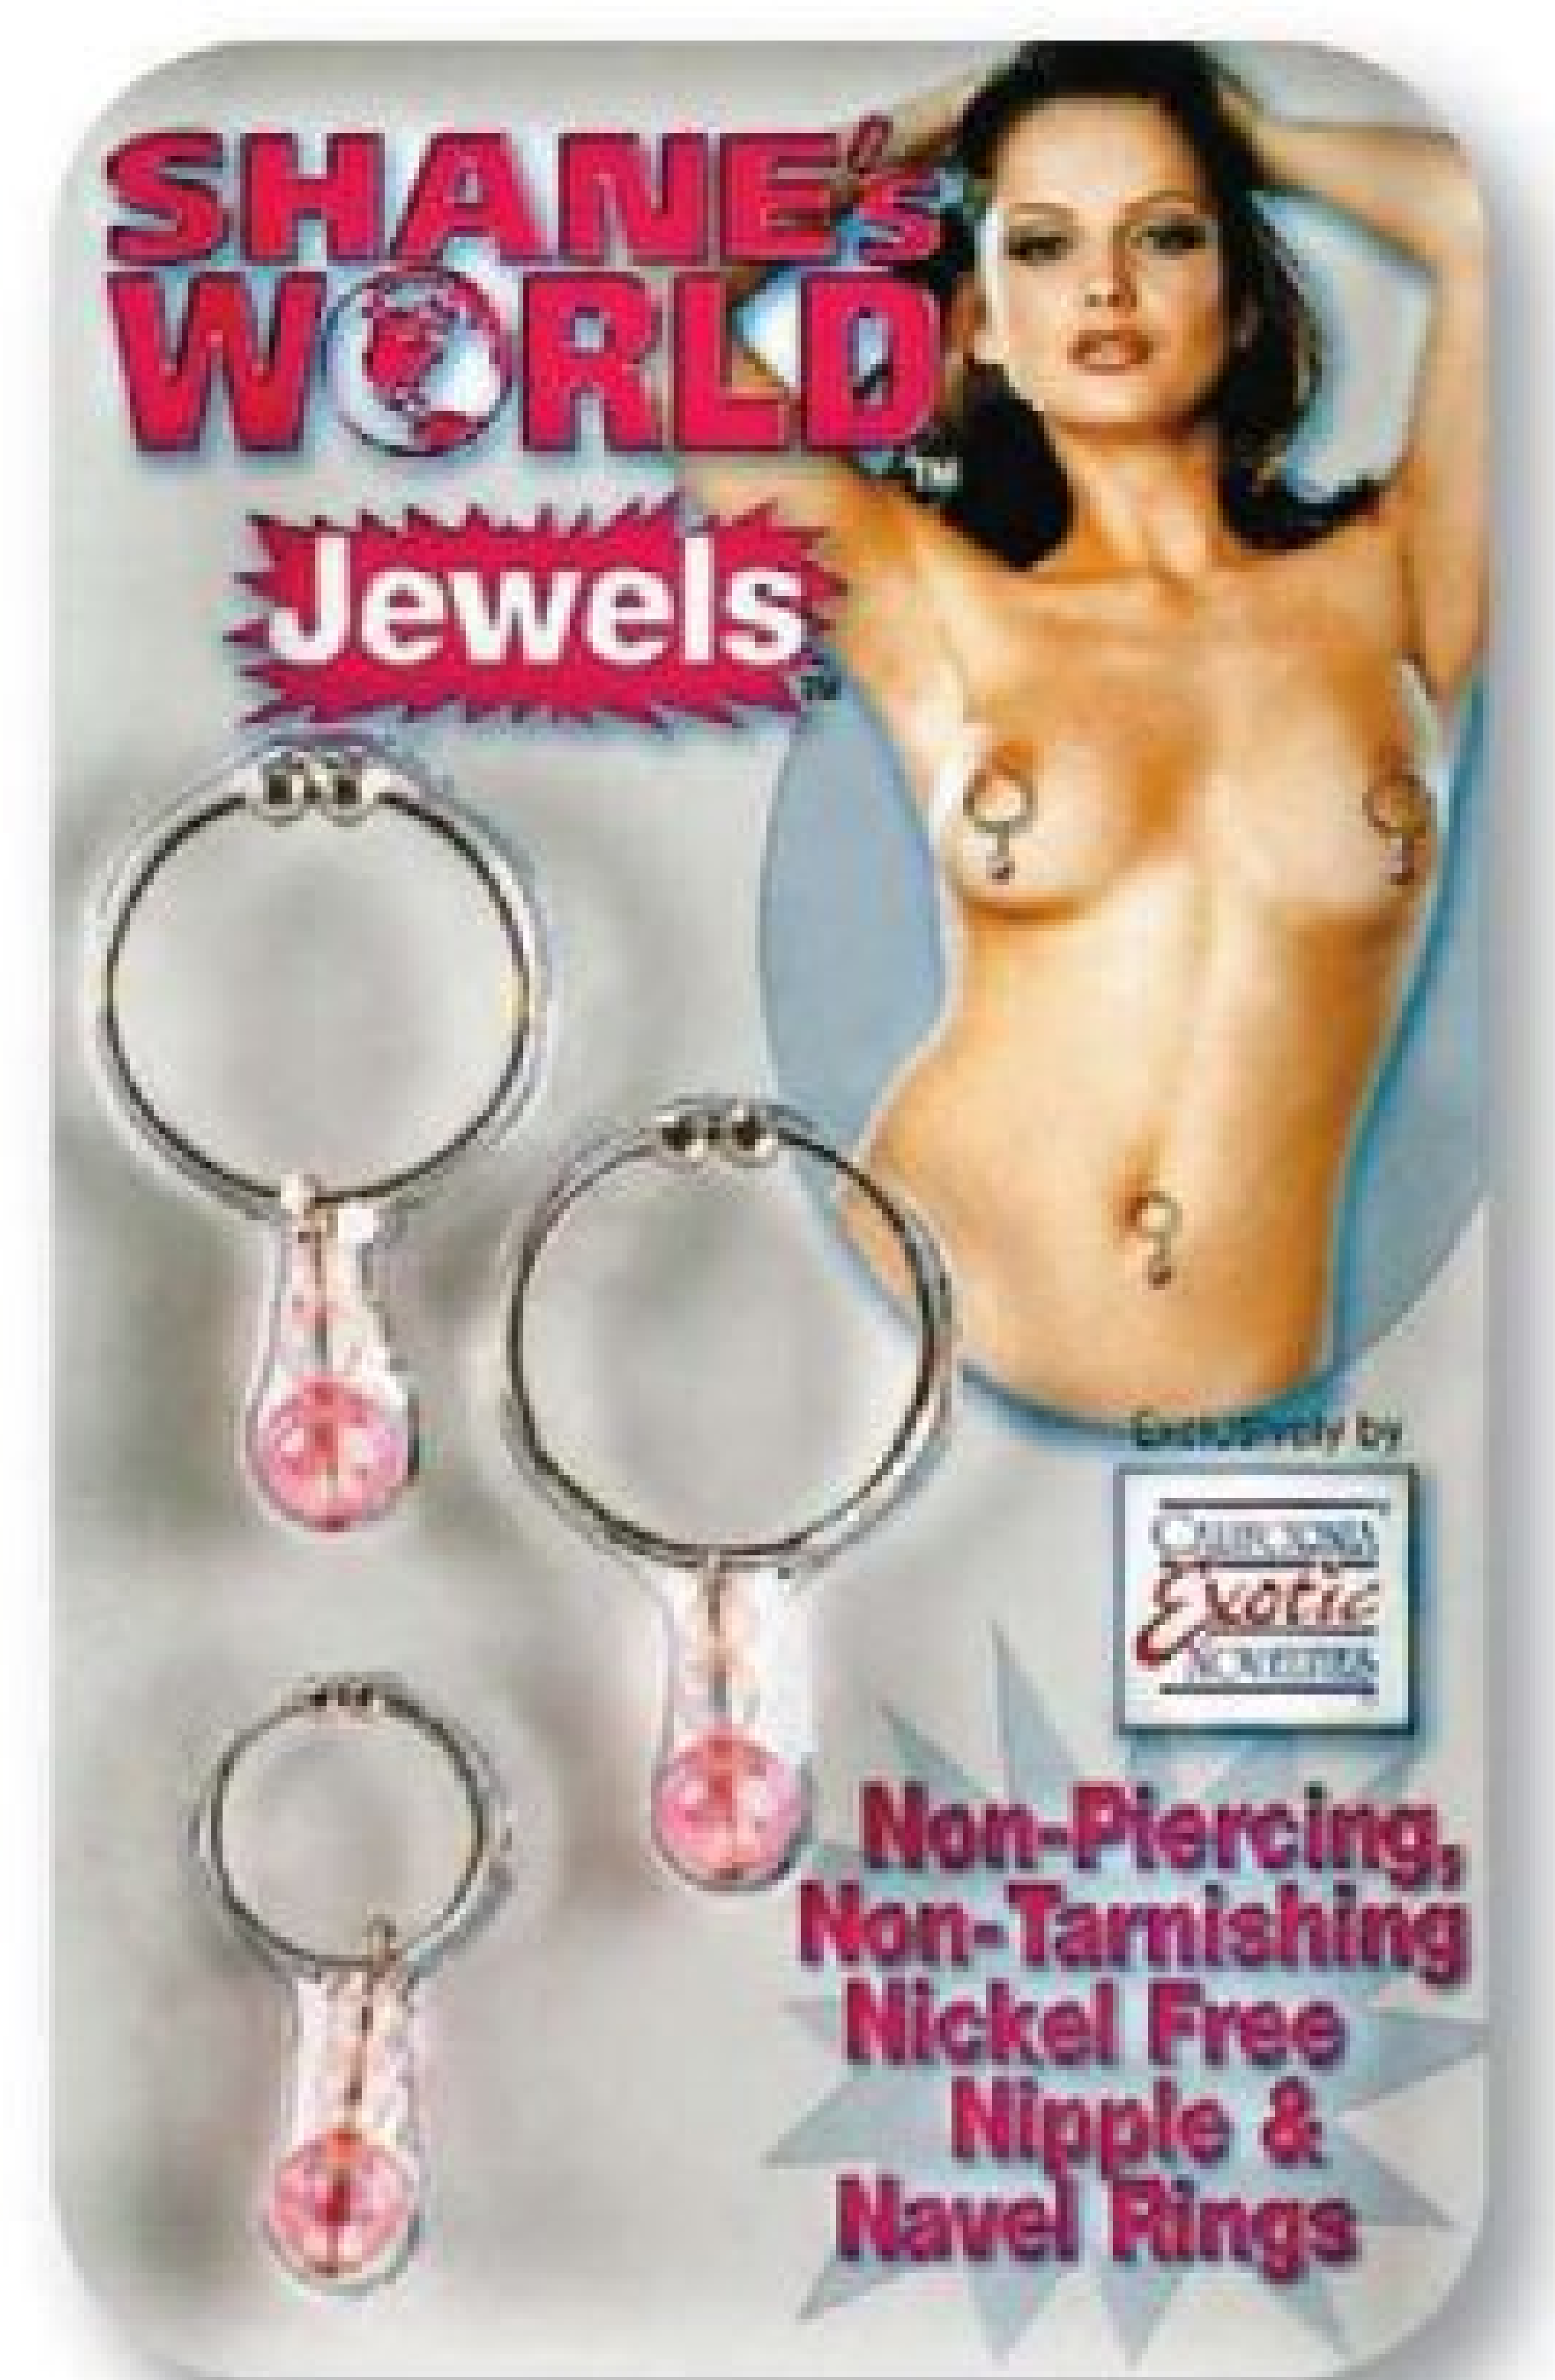

One way that Brick gets kinky for me is by performing with a toy while I watch! A man hasn't lived until he's given his woman a proper sex show. So, I brought home one of the items I received to review: Carmen's Tight Ass—part of the "Wicked" collection at www.calexotics.com. With a "wicked" gleam in my eye, I told Brick to give it a test squirt, and while I smoked a cigarette and enjoyed a glass of wine, he got naked and stuffed his inches into this amazingly detailed replica of porn star posterior, made of "Better-than-Real" anti-bacterial PVC. It comes complete with a vibrating stimulator that runs on two AA batteries, but best of all, the seven-and-a-half inch deep anal tunnel is lined with teasers to drive any man's cock extra wild! I had only gotten about halfway through my glass of merlot when Brick blew his wad in Carmen's Tight Ass, and then we had a fun discussion imagining how complicated it must be to take an actual cast—not only of some-

one's asshole—but the fuckable channel inside, too! However, leave it to the toy wizards at Wicked and Cal Exotics to do it!

HOW TO ACT PIERCED!

Finally, when Brick has been a good boy like this for me, I reward him by dressing up my body in little ways that he appreciates. I'm a chicken when it comes to actual piercings or tattoos, which doesn't make me a bad person, but luckily Cal Exotics comes to my rescue with items like Jewels from "Shane's World." These nickel-free non-tarnishing nipple and navel rings require no awful needles or whatever scary pricks professional piercers use. Instead, the Jewels just clip on and make me feel, well, pretty exotic! I guess Brick has to really like me to put up with my being such a sissy, and it always turns me on when he finally takes off the Jewels and says, "Now that you're completely naked again, Ivy, I'm going to fuck the shit outta ya!" That's my Brickie! Hey, get your favorite cowardly lady some Jewels at the "Shane's World" page at www.calexotics.com and she can act pierced, too!

That's it for this issue, my horny readers! I hope you try some of my suggestions and have yourselves wetter and better Playtimes today! See you next time. ♣

HUNGRY PUSSY MAKES FRIENDS

AMY DISCOVERS THAT BIG COCK IS A TRUE PAL!

Amy, dissatisfied with a boring life, had broken up with her old boyfriend and looked for someone new. She met some nice guys, all friendly, polite, but without exception they had average size cocks. She began to wonder where the larger cocks hung out. "Maybe I shouldn't meet guys at bookstores, museums or coffee shops anymore?" she thought.

So, Amy started to hang out in the rougher areas of town. Seedy waterfront bars became her regular haunts. The groan of foghorns and the lapping of waves was the soundtrack to her first meeting with Tommy over two shots of Irish whiskey. Tommy was a merchant seaman, and when he was in port he liked to have a good time. He didn't hesitate telling women what he needed. He instructed Amy to wear stockings and garters. "I like gals to look real feminine when I fuck 'em."

Of course, Amy wouldn't have put up with his demands if he didn't have something special that she really liked. To put it bluntly, his cock was enormous. Bigger than any she'd had before. The first night she sucked it was an unforgettable thrill, the way she had to open her mouth so wide and stick out her tongue so far. It made her feel hotter than ever, and she enjoyed a certain slutty feeling. She knew instantly she'd become addicted to big cock and there was no way back.

She'd never thought she'd give a man her asshole, but it happened with Tommy. She prepped his cock for her butt with a juicy blowjob, then took his throbbing shaft and guided it into her behind. His slow cramming drove her crazy, and she came the moment she felt his balls nudge against her asscheeks. However, she had him keep going until he unloaded deep inside her. When he had to take a break, she just lay there in the cool air and let her wide-open backdoor breathe freely before starting the next round. This was living! ♦
